Fallen Stars:

Fallen Stars Julian Upton, 2004 *Fallen Stars* probes the underside of fame to reveal a host of glittering careers stunted by ill health alcoholism drug addiction and egomania Twenty one tales of stardom turned sour these are the tragic final years of some of the world's best loved actors and comedians a latter day Hollywood Babylon that includes Benny Hill Diana Dors Peter Sellers Carry On legends and many others

Fallen Stars Imani Erriu, 2025-11-25 The stunning sequel to the instant international bestseller *Heavenly Bodies* Never make a bargain with a god Elara is out for revenge Her love Prince Enzo is trapped between the realms of life and death and her enemy has vanished leaving Elara with a life she never wanted and new powers she cannot control Now a disgraced queen on the run Elara must find a way to wake Enzo while also seeking the lost Titans a league of gods who ruled the world long before the Stars But there is a darker power at play one that even Ariete King of the Stars is afraid of With enemies at every turn Elara must tread carefully if she has any hope of saving her soulmate and fulfilling her promise to make every Star fall

We Are the Stars Sarah Hernandez, 2023-02-21 *We are the Stars* critically interrogates the U S as a settler colonial nation and re centers Oceti Sakowin women as our tribe's traditional culture keepers and culture bearers

[The Destroyer and the Lamb](#) Matthias Reinhard Hoffmann, 2005 Matthias Reinhard Hoffmann identifies an angelomorphic portrait of Christ in certain passages of Revelation and provides possible reasons for the inclusion of an angelomorphic Christology Angelomorphic Christology is not regarded as an isolated christological concept In turn the author compares angelomorphic Christology with the prominent Lamb Christology of Revelation A comparison of these concepts reveals that both Lamb and angelomorphic Christology serve the purpose of contrasting different functions of Christ The functions correspond with the implied perception of Christ by his followers on the one hand and his opponents on the other Accordingly Christ appears to be an eschatological juridical figure described in angelomorphic patterns to his opposition while he is perceived as salvific redeemer in form of the Lamb by those who believe in him Such a christological perspective draws on traditions from the Exodus narrative namely the features of the Passover Lamb and the Destroying Angel Further equality between God and Christ is established despite an angelomorphic portrait of Christ especially those passages describing Christ as the Lamb put him on par with God But also within visions with an angelomorphic description of Christ his status as superior to angels and as an equal to God is displayed

[The Book of the Present](#) Rachael Garratt, 2019-07-26 Persephone Glen had never been a very philosophical person She is not one to ask deep or abstract questions She never spends any considerable quantity of time contemplating the metaphysical or searching for underlying answers Though her family has secrets she is content to let sleeping dogs lie However when her little brother Henry disappears from their backyard she is forced to make a change In order to get her brother back she has to venture into places that are frightening and mysterious With each and every question she asks she gets an answer deeper and more confusing than the last Every question makes her journey harder but every answer gets her a little closer to Henry
