Fame Jr Script:

The Immortal Count Arthur Lennig, 2013-07-24 Bela Lugosi won immediate fame for his portrayal of the immortal count in the 1931 film *Dracula*. After a decade of trying vainly to broaden his range and secure parts to challenge his acting abilities, Lugosi resigned himself to a career as the world's most recognizable vampire. His last years were spent as a forgotten and rather tragic figure. When he died in 1956, Lugosi could not have known that vindication of his talent would come: his face would adorn theaters, his image would appear on greeting cards and postage stamps, his film memorabilia would sell for more than he earned in his entire career, and his Hungarian accent would be instantly recognized by millions of people. Martin Landau's Oscar-winning role as Lugosi in the 1994 film *Ed Wood* added an ironic twist to a career that had ended in oblivion. In 1974, devoted Lugosi fan Arthur Lennig published a highly regarded biography of the unsung actor. More than twice the length of the original and completely rewritten, *The Immortal Count* provides deeper insights into Lugosi's films and personality. Drawing upon personal interviews, studio memos, shooting scripts, research in Romania and Hungary, and his own recollections, Lennig has written the definitive account of Lugosi's tragic life.

Lionel Barrymore Kathleen Spaltro, 2024-08-13 Once called the most gifted character actor of our time by Broadway theater producer Arthur Hopkins, Lionel Barrymore (1878-1954) was part of the illustrious Barrymore acting dynasty. Although he garnered success on stage and screen and was a talented actor, writer, director, visual artist, and composer, he never quite escaped the shadow of his family members, including his brother John, famous for his leading roles. Barrymore won the Academy Award for Best Actor in *A Free Soul* (1931) and was nominated for Best Director for *Madame X* (1930). However, he is best known for his role as Mr. Potter in *It's a Wonderful Life* (1946) and as the voice of Ebenezer Scrooge in radio broadcasts of *A Christmas Carol* from 1934 to 1953. He spent the last two decades of his career playing versions of his signature character: the curmudgeonly but lovable gentleman in a variety of films from *You Can't Take It With You* (1938) to *Key Largo* (1948). Barrymore worked alongside some of Hollywood's most recognizable names, including Humphrey Bogart, James Stewart, Frank Capra, Lauren Bacall, Clark Gable, and Ava Gardner, and his legacy is enshrined at the Hollywood Walk of Fame, where he has two stars: one for radio and one for film. In *Lionel Barrymore: Character and Endurance in Hollywood's Golden Age*, Kathleen Spaltro examines Barrymore as an individual rather than just a supporting cast member of the famous dynasty. This comprehensive study divides Barrymore's life into three compelling acts. Act One follows Barrymore's early days, his failed endeavor as a visual artist, his performances in the family vaudeville acts, his first silent motion pictures, and his greatest successes and failures on the stage. Act Two details Barrymore's establishment as a fixture at MGM, his foray into directing, his success as the first actor to thrive in the talkies, and his estimable Oscar-winning performance. Finally, Act Three expounds on Barrymore's curation of his trademark character: the endearing grouch, his exploits in radio, and his fateful final years. Spaltro also unearths Barrymore's personal challenges, recounts his difficulties with and sometimes estrangement from members of his family, and delves into the

devastating losses Barrymore suffered his divorce the deaths of his two daughters and later the death of his second wife and the accidents that eventually led to permanent disabilities requiring the use of a wheelchair Lionel Barrymore is a detailed multifaceted portrait of a brilliant character actor **Ebony** ,1982-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
