Trend Following Michael W. Covel, 2009 Discover the investment strategy that works in any market The one strategy that works in up and down markets good times and bad

Trend Following Michael W. Covel, 2007 Michael Covel reveals the underground network of little known traders and hedge fund managers who've been using trend following for decades He introduces its fundamental concepts and techniques showing why market prices contain all the information investors need and how to understand price movements well enough to profit from them Using 100 pages of easy to understand charts from top trend followers Covel proves the strategy works and shows why only a technical system based on following price trends can win over the long term Covel presents more than a decade's worth of data information you'd otherwise pay a fortune to see presented this clearly He also shows even more backtested trend following results so you can gain even greater confidence in the method Along the way Covel thoroughly debunks misinformation and failed advice from pros who ought to know better This timely book capitalizes on today's intense volatility and uncertainty to give investors what they're desperately searching for a strategy that really works

Equity Warriors George S.
