The Ultimate Resource for Project Managers

Acronyms and Abbreviations

The following list includes all common acronyms and abbreviations that are used in the world of project management. Terms are linked to definitions where available. Please let me know if you miss an abbreviation or an acronym! I will also extend this list from time to time. However, this list is supposed to include only "pure" project management terms and not industry-specific ones (although I might include some of the software world).

Please note that some of the acronyms might have a different meaning in other contexts so you should take them with a grain of salt if you are not sure about the context. You may want to consult [Wikipedia](#) for other meanings.
