[Descriptive-word Index to Decennial and All Key-number Digests](#), 1912 **First Among Equals** Kenneth W. Starr, 2008-12-14 Today s United States Supreme Court consists of nine intriguingly varied justices and one overwhelming contradiction Compared to its revolutionary predecessor the Rehnquist Court appears deceptively passive yet it stands as dramatically ready to defy convention as the Warren Court of the 1950s and 60s Now Kenneth W Starr who served as clerk for one chief justice argued twenty five cases as solicitor general before the Supreme Court and is widely regarded as one of the nation s most distinguished practitioners of constitutional law offers us an incisive and unprecedented look at the paradoxes the power and the people of the highest court in the land In *First Among Equals* Ken Starr traces the evolution of the Supreme Court from its beginnings examines major Court decisions of the past three decades and uncovers the sometimes surprising continuity between the precedent shattering Warren Court and its successors under Burger and Rehnquist He shows us as no other author ever has the very human justices who shape our law from Sandra Day O Connor the Court s most pivotal and perhaps most powerful player to Clarence Thomas its most original thinker And he explores the present Court s evolution into a lawyerly tribunal dedicated to balance and consensus on the one hand and zealous debate on hotly contested issues of social policy on the other On race the Court overturned affirmative action and held firm to an undeviating color blind standard On executive privilege the Court rebuffed three presidents both

Republican and Democrat who fought to increase their power at the expense of rival branches of government On the 2000 presidential election the Court prevented what it deemed a runaway Florida court from riding roughshod over state law illustrating how in our system of government the Supreme Court is truly the first among equals Compelling and supremely readable First Among Equals sheds new light on the most frequently misunderstood legal pillar of American life The Flexible Constitution Sean Wilson,2013 This is an ambitious work on constitutional theory Influenced by the views of Ludwig Wittgenstein Sean Wilson tackles the problem of how a judge can obey a document written in ordinary flexible language He argues that whether something is constitutional is not an historical fact but is an artisan judgment Criteria are set forth showing why some judgments represent superior connoisseurship and why others do not Along the way Wilson offers a potent critique of originalism He not only explains this belief system but shows why it is inherently incompatible with the American legal system His conclusion is that originalism can only be understood as a legal ideology not a meaningful contribution to philosophy of law The ways of thinking about constitutional interpretation provided in the book end up challenging the scholarship of Ronald Dworkin and numerous law professors And the findings also challenge the way that professors of politics often think about whether a judge has followed law **Household Words** ,1883 **Record of the Constitutional Convention of the State of New York** New York (State). Constitutional Convention,1915 Revised Record of the Constitutional Convention of the State of New York New York (State). Constitutional Convention,1938 **Constitution of the State of California** California,1894 Proceedings and Debates of the Constitutional Convention of the State of Michigan Michigan. Constitutional Convention,Joseph H. Brewer,1907 Official Report of the Proceedings and Debates of the Third Constitutional Convention of Ohio Ohio. Constitutional convention,1873 **Manufacturers Record** ,1925 **The Publishers' Circular and Booksellers' Record** ,1925 **Minnesota Journal of Education ...** ,1929 Congressional Record United States. Congress,1978 **Normal Instructor and Teachers World** ,1921 The United States Catalog Mary Burnham,Carol Hurd,1928 **Town Journal** ,1929 **Selected Essays on Constitutional Law** Association of American Law Schools,1938
