**The Heretics of Finance** Andrew W. Lo, Jasmina Hasanhodzic, 2010-05-21 The Heretics of Finance provides extraordinary insight into both the art of technical analysis and the character of the successful trader Distinguished MIT professor Andrew W Lo and researcher Jasmina Hasahodzic interviewed thirteen highly successful award winning market professionals who credit their substantial achievements to technical analysis The result is the story of technical analysis in the words of the people who know it best the lively and candid interviews with these gurus of technical analysis The first half of the book focuses on the technicians careers How and why they learned technical analysis What market conditions increase their chances of making mistakes What their average workday is like To what extent trading controls their lives Whether they work on their own or with a team How their style of technical analysis is unique The second half concentrates on technical analysis and addresses questions such as these Did the lack of validation by academics ever cause you to doubt technical analysis Can technical analysis be applied to other disciplines How do you prove the validity of the method How has computer software influenced the craft What is the role of luck in technical analysis Are there laws that underlie market action What traits characterize a highly successful trader How do you test patterns before you start using them with real money Interviewees include Ralph J Acampora Laszlo Birinyi Walter Deemer Paul Desmond Gail Dudack Robert J Farrell Ian McAvity John Murphy Robert Prechter Linda Raschke Alan R Shaw Anthony Tabell Stan Weinstein

**A Beginner's Guide to the Stock Market** Francisca Serrano, 2015-10-11 I met Paqui in Granada attending the official presentation of her book After her speech she approached me to say I work as a trader a couple of hours a day and I make money My broker is in the USA and I only operate intraday Astonished and eyes wide open it took me a while to answer back Ignorant and layman I then decided to come clean Sorry Paqui can you please tell me what is that trading stuff about To my surprise in simple words lots of pedagogics and warm enthusiasm she explained me the basics of a thrilling activity to everyone's reach as long as you are motivated and focused on being trained and that is how this manual was born In this book the authoress unveils her secrets The basics of trading general ideas on stock markets knowledge and practical advice that will allow anyone interested to start diving safely in such vibrant activity On a simple but intelligent way she shares with her readers the knowledge acquired along her successful career However she does not limit herself to passively repeating basics of stock markets theory but leads by example At first she made and still makes money with her trading activity but afterwards she was willing to open the doors of her knowledge base to everyone a beautiful gesture most of her readers will be grateful for
