Strategy--process, Content, Context Bob de Wit, 1998 This second edition of De Wit and Meyer's strategy text builds on the first edition by focusing on the requirements of students and teachers in terms of the structure organisation and design of the material

Strategy, HRM, and Performance Jaap Paauwe, Elaine Farndale, 2017-11-10 The book expounds the macro level relationship between strategy HRM and performance addressing important challenges that have constrained research and practice to date Adopting a critical perspective the first challenge is a narrow definition of performance that has been largely driven by a managerialist profit motive with little regard for the human element This book proposes adopting a more balanced approach towards measuring performance encompassing both organizational financial performance as well as employee well being The second challenge is that HRM has largely been considered a universalistic phenomenon rather than needing to be understood in the context in which an organization is operating The book puts forward the argument for a more context centric perspective culminating in the development of the Contextual Strategic Human Resource Management Framework The book emphasizes the importance of strategy alignment context the role of actors and a holistic conceptualisation of performance Embedded in all chapters is a focus on achieving an appropriate balance between options rather than providing a universalistic solution to all human resource management challenges

International Business Strategy Peter J Buckley, Pervez Ghauri, 2015-02-20 With stagnated demand in many home economies the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level However this process raises a number of questions such as can firms use their knowledge of one market in the next Can firms pursue internationalization on several fronts at the same time How should firms handle cultural and institutional differences between markets This textbook provides students with the core research in international business and strategy including organization efficiency external relationships and the challenges found in an increasingly multicultural world Each part begins with a presentation of the issues and controversies faced in that particular

area followed by a synthesis of the research which provides avenues for future research To facilitate and encourage further debate and learning each part also includes at least one original case study Compiled by two of the World s leading scholars of international business and supplemented with critical commentaries and a range of integrative case studies this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond
