Intercultural Communication Adrian Holliday,2021-04-29

Intercultural Communication provides a critical introduction to the dynamic arena of communication across different cultural and social strata Throughout this book topics are revisited extended interwoven and deconstructed with the reader s understanding strengthened by tasks and follow up questions The fourth edition of this popular textbook has been updated to feature new readings by Kwame Antony Appiah Yoshitaka Miike Edward Ademolu and Siobhan Warrington Helena Liu and Michael Zirulnik and Mark Orbe which reflect the most recent developments in the field

refreshed and expanded examples and tasks including new material on an Asiacentric approach to intercultural communication selfies as a global discourse the impact on intercultural communication of English as a lingua franca in multinational organisations and representations of Africa in charity media campaigns extended discussions of topics including intercultural training voluntourism challenging essentialism in business contexts and intersectional approaches to identity revised further reading suggestions Written by experienced teachers and researchers in the field this fourth edition of Intercultural Communication is an essential textbook for advanced students studying this topic The Global Intercultural Communication Reader Molefi Kete Asante, Yoshitaka Miike, Jing Yin, 2013-06-26 The Global Intercultural Communication Reader is the first anthology to take a distinctly non Eurocentric approach to the study of culture and communication In this expanded second edition editors Molefi Kete Asante Yoshitaka Miike and Jing Yin bring together thirty two essential readings for students of cross cultural intercultural and international communication This stand out collection aims to broaden and deepen the scope of the field by placing an emphasis on diversity including work from authors across the globe examining the processes and politics of intercultural communication from critical historical and indigenous perspectives The collection covers a wide range of topics the emergence and evolution of the field issues and challenges in cross cultural and intercultural inquiry cultural wisdom and communication practices in context identity and intercultural competence in a multicultural society the effects of globalization and ethical considerations Many readings first appeared outside the mainstream Western academy and offer diverse theoretical lenses on culture and communication practices in the world community Organized into five themed sections for easy classroom use The Global Intercultural Communication Reader includes a detailed bibliography that will be a crucial resource for today s students of intercultural communication

Communicating in the Third Space Karin Ika, Gerhard Wagner, 2008-10-05 Communicating in the Third Space aims to clarify Homi K Bhabha s theory of the third space of enunciation by reconstructing its philosophical sociological geographical and political meaning with attention to the special advantages and ambiguities that arise as it is applied in practical as well as theoretical contexts The idea of third space conceives the encounter of two distinct and unequal social groups as taking place in a special third space of enunciation where culture is disseminated and displaced from the interacting groups making way for the invention of a hybrid identity whereby these two groups conceive themselves to partake in a common identity relating to shared space and common dialogue The essays collected in Communicating in the Third Space including a preface by Bhabha himself brilliantly introduce readers to this exciting topic in Cultural and Post Colonial theory and offers insightful elaboration and critique of the meaning and relevance of life in the third space With a preface by Homi K Bhabha The Handbook of Global Interventions in Communication Theory Yoshitaka Miike, Jing Yin, 2022-03-10 Moving beyond the U S Eurocentric paradigm of communication theory this handbook broadens the intellectual horizons of the discipline by highlighting underrepresented especially non Western theorists and theories and

identifies key issues and challenges for future scholarship Showcasing diverse perspectives the handbook facilitates active engagement in different cultural traditions and theoretical orientations that are global in scope but local in effect It begins by exploring past efforts to diversify the field continuing on to examine theoretical concepts models and principles rooted in local cumulative wisdom It does not limit itself to the mass interpersonal communication divide but rather seeks to frame theory as global and inclusive in scope The book is intended for communication researchers and advanced students with relevance to scholars with an interest in theory within information science library science social and cross cultural psychology multicultural education social justice and social ethics international relations development studies and political science *American Book Publishing Record* ,2003
