country clubs with slick marketing campaigns Jeremy McKim urges us away from a democratized kingdom of self and toward

the kingdom of God We have settled for safe and comfortable churchgoing while God beckons us toward risky and

uncomfortable kingdom living With Doxa McKim shows that God s invitation is greater and more terrifying than any in all of

history Why is ignoring God the riskiest thing you could possibly do today Is God intent on crushing your ego What is so

unpatriotic and humiliating about worshipping God Why might a worthwhile churchgoing experience have little or nothing to

do with our satisfaction Why is prayer a life threatening activity Allow yourself to be troubled and moved to action by these

and other questions as you enter into a provocative and practical ten week journey of transformation discovery and kingdom

advancement Discover that God has graciously chosen to display his glory in those who would simply hear and do Become

the adopted son or daughter of the King whose unshakable kingdom is moving forward with or without you and answer his

architecture of awareness Correspondence reveals the repeating patterns connecting micro and macro realities Vibration highlights the energetic states influencing choices and relationships Polarity and Rhythm expose the contrasts and cycles that govern experience Cause and Effect reframes responsibility and purpose and Gender is approached as a universal creative matrix present in every process of manifestation Designed for emerging generations and for all seekers searching for clarity amid information overload Kybalion Hub blends philosophy practice and insight It does more than explain concepts it offers tools to navigate complexity align intention and awaken the creative and spiritual power encoded within every mind
