From Self-Care to We-Care Jordan Quaglia, 2025-05-06 Learn to harmonize self care with caring for others through we care a science based approach designed to enhance personal and social well being promote healthy boundaries and offer a path of healing and transformation Too many of us are familiar with

the burnout that can come from overextending ourselves for others Self care is often promoted as the solution to this imbalance but there are growing concerns that an overemphasis on self care is exacerbating interpersonal challenges fraying the fabric of our communities and diminishing our responsiveness to broader social issues In a world where time can feel increasingly scarce we find ourselves in a dilemma should we prioritize ourselves or others Yet as psychologist and compassion scientist Jordan Quaglia demonstrates this choice is based on a false dichotomy The emerging science and practice of we care reframes the very concept of care as a social force that includes both self and other Through personal stories guided inquiries practical social exercises and insights from cutting edge neuroscience Quaglia offers a framework and toolset designed to help you find a more balanced way to express your innate sense of compassion This holistic approach sparks transformative changes across your health relationships and work uplifting yourself and others while supporting a stronger more connected society for us all

PROGRAM YOUR MIND AND USE IT EVERY DAY DAVID

SANDUA,2023-09-08 In today's fast-paced society it is essential to prioritize our self-help personal growth and development. Constantly our minds are flooded with information, distractions, and negativity. However, if we take control and program our minds, we can unlock our true potential and move towards success and fulfillment. This book highlights the importance of self-help and personal growth in the contemporary world, showing how taking control of our mindset can positively influence all aspects of our lives. By recognizing the importance of self-improvement and applying effective strategies, we can transform ourselves into the best version of ourselves and live a life full of purpose and achievement. The book addresses how our mind, with its immense power and potential, acts as a brilliant tool for personal growth and transformation. By understanding this power, we can shape our lives in extraordinary ways. Not only does the mind play a crucial role in shaping our reality, but it also influences our emotions, actions, and the results we manifest. By being aware of our thought patterns and directing them toward positivity, we can control our reality and create a life aligned with our deepest desires. In short, this book is an essential guide for those seeking to harness the power of their mind, cultivate a positive growth-oriented mindset, and manifest a life of purpose, passion, and personal fulfillment.
