**There Are No Simple Rules for Dating My Daughter!** Laura Buddenberg, Kathleen McGee, 2011

**8 Simple Rules for Dating My Teenage Daughter** W. Bruce Cameron, 2002-03-04 Fathers may suspect it's not easy for their daughters to become women but those same daughters have no idea how hard it is for fathers to stand by and watch. According to W. Bruce Cameron, having a child mutate into a teenager is a bit like being an airline passenger who must suddenly take over for a stricken pilot and land the plane. And in this case, the passengers are all yelling "I hate you, I hate you" and slamming the door to the cockpit. Cameron has two daughters, so he is doubly aware that raising teenage girls is well impossible. He's been through braces, the most expensive metal on earth, kissing, do they have to use their lips? Teen logic: I asked if I could go out with Lindsey and you said no, so I went out with Courtney, and of course dating, which leads to the 8 Simple Rules. Rule 1: if you pull into my driveway and honk, you'd better be delivering a package because you're sure as heck not picking anything up. If your little girl has moved out and a teenager has taken her place, this book will help you do something you probably thought was not possible in your situation. laugh

*There Are No Simple Rules for Dating My Daughter!* Laura J. Buddenberg, Kathleen M. McGee, 2006 The world of teen romance is sometimes chaotic and oftentimes confusing. What do you say when your 13-year-old asks, "How can I make a guy go out with me?" How do you respond to a 17-year-old who says she's in love? What do you do with a daughter who gets involved in endless hookups and breakups that leave her an emotional wreck? The answers, just like dating relationships, aren't always easy. This book gives parents a window into the teen dating scene and shows them how to maintain their sanity amid all the crushes, courtships, and infatuations of adolescents. Both the fears and the fun of teen dating are revealed as the authors look at some of its biggest issues: Age: How old should your daughter be before she starts dating, and what age should her dates be? Car Dates: Does your daughter have an escape route if a good date goes bad? Appropriate Attire: When skin is in is a bare midriff, backless blouse, or plunging neckline being fashionable or foolish? Gift Giving: Are gifts of underwear going over the top? Internet: Are virtual relationships a safer, better alternative for your daughter? Parents are urged to sit down and talk seriously with their daughters about the purpose of dating and to create family dating rules. Sample activities to help get the conversation started are included. Sprinkled throughout the book are real-life dating stories, many silly, some scary, but all serve to remind parents that dating is a valuable experience that shouldn't be denied or trivialized.

**8 Simple Rules for Dating My Teenage Daughter** W. Bruce Cameron, 2001-01-01 A humorous guide to help fathers survive the trials of female adolescence offers tongue-in-cheek advice on topics such as the telephone, food parties, chores, learning to drive, the first job, and boyfriends.

**The Rules for Dating My Daughter** Benjamin R. Marsh, 2012-04-01 This is the no-nonsense guide to dating that every parent needs to guide their sons and daughters from the perils of modern dating. With classic wisdom and humorous anecdotes, this guide is simple, readable, and short enough to capture the attention span of every teenager and parent alike.
