Left For Dead Beck Weathers:

Left for Dead (Movie Tie-in Edition) Beck Weathers, Stephen G. Michaud, 2015-09-15 With a new preface by the author As featured in the upcoming motion picture Everest starring Jason Clarke Josh Brolin John Hawkes Robin Wright Emily Watson Keira Knightley Sam Worthington and Jake Gyllenhaal I can tell you that some force within me rejected death at the last moment and then guided me blind and stumbling quite literally a dead man walking into camp and the shaky start of my return to life In 1996 Beck Weathers and a climbing team pushed toward the summit of Mount Everest Then a storm exploded on the mountain ripping the team to shreds forcing brave men to scratch and crawl for their lives Rescuers who reached Weathers saw that he was dying and left him Twelve hours later the inexplicable occurred Weathers appeared blinded gloveless and caked with ice walking down the mountain In this powerful memoir now featuring a new Preface Weathers describes not only his escape from hypothermia and the murderous storm that killed eight climbers but the journey of his life This is the story of a man s route to a dangerous sport and a fateful expedition as well as the road of recovery he has traveled since of survival in the face of certain death the reclaiming of a family and a life and of the most extraordinary adventure of all finding the courage to say yes when life offers us a second chance Praise for Left for Dead Riveting a remarkable survival story Left for Dead takes a long critical look at climbing Weathers is particularly candid about how the demanding sport altered and strained his relationships USA Today Ultimately this engrossing tale depicts the difficulty of a man s struggle to reform his life Publishers Weekly

Leading Up Michael Useem, 2003-03-25 Today s best leaders know how to lead up a necessary strategy when a supervisor is micromanaging rather than macrothinking when a division president offers clear directives but can t see the future or when investors demand instant gain but need long term growth Through vivid compelling stories Michael Useem reveals how upward leadership can transform incipient disaster into hard won triumph For example U S Marine Corps General Peter Pace reconciled the conflicting priorities of six bosses by keeping them well informed and challenging their instructions when necessary Useem also explores what happens when those who should step forward fail to do so Mount Everest mountaineers might have saved themselves from disaster during a fateful ascent if only they had questioned their guides flawed decisions Leading Up is a call to action It asks us to get results by helping our superiors lead and by building on the best in everybody s nature and it offers a pragmatic blueprint for doing so
