

TIME MANAGEMENT TIPS

PRIORITY MATRIX

RECORD YOUR CURRENT SCHEDULE

Figure out how you're currently using your time and what to improve.

30 minutes

at the start of each day for planning

Make a to-do list and schedule your day.

DELEGATE SOME WORK

If you don't have to do everything by yourself, then don't figure out what other people can help you with.

BATCH SIMILAR TASKS

Cut down on time you waste transitioning between tasks by doing similar things at the same time. (like replying to e-mails)

USE "WAITING" TIME EFFECTIVELY

When you're doing things like riding public transit or sitting in a waiting room, use that time productively.

TURN TASKS INTO HABITS

Make things easier by turning work tasks into a regular routine

IGNORE phone calls and e-mails

Unless it's an emergency, leave your replies for later. Don't let yourself be needlessly interrupted.

MINIMIZE meeting times

More work gets done outside of meetings than in them.

BLOCK out social media

Reduce distractions. Don't open up social media until your work is done.

Library Management Tips That Work

G Thomas

Library Management Tips That Work:

As recognized, adventure as capably as experience nearly lesson, amusement, as capably as settlement can be gotten by just checking out a ebook **Library Management Tips That Work** then it is not directly done, you could resign yourself to even more in this area this life, in the region of the world.
