Treasure in Earthen Vessels Jimmy Neff,2025-06-24 Unlike most local church histories oozing with self congratulations Treasure in Earthen Vessels is an honest critical assessment of a rural congregation that built a small unpretentious church in a community that subsequently withered under the strain of economic realities and labor saving technologies In September of 1919 two Baptist families met in an old creaky three room wooden schoolhouse to organize a church in the newly established community of McAdoo Texas This book details the contributions of legacy families committed to living a simple Christian life through the struggles and joys of a rural Baptist congregation The congregation also must navigate the geographical social cultural political religious economic and technological forces often arrayed against them By exploring the contextual history of this Baptist congregation as a case study the book not only chronicles what happened to rural churches and communities experiencing the depopulation of the Great Plains over the past century but also why a cherished way of life simply vanished Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954
