Zug, 2016-06-07 There have always been mail order brides in America but we haven t always thought about them in the same ways In *Buying a Bride* Marcia A Zug starts with the so called Tobacco Wives of the Jamestown colony and moves all the way

forward to today's modern same sex mail order grooms to explore the advantages and disadvantages of mail order marriage. It's a history of deception, physical abuse, and failed unions. It's also the story of how mail order marriage can offer women surprising and empowering opportunities. Drawing on a forgotten trove of colorful mail order marriage court cases, Zug explores the many troubling legal issues that arise in mail order marriage: domestic abuse and murder, breach of contract, fraud, especially relating to immigration and human trafficking and prostitution. She tells the story of how mail order marriage lost the benign reputation it enjoyed in the Civil War era to become more and more reviled over time, and she argues compellingly that it does not entirely deserve its current reputation. While it is a common misperception that women turn to mail order marriage as a desperate last resort, most mail order brides are enticed rather than coerced. Since the first mail order brides arrived on American shores in 1619, mail order marriage has enabled women to improve both their marital prospects and their legal, political, and social freedoms. **Buying A Bride** uncovers this history and shows us how mail order marriage empowers women and should be protected and even encouraged. **NEW TESTAMENT HARMONY, AD 57 - 58**

Robert Hodanko, 2024-11-25. This book presents a harmonized chronology of the New Testament accounts for the period AD 57-58. All dates are approximate and are based on the determination that Jesus was crucified on Friday, April 7, AD 30. Every effort has been made to present an accurate chronology of the New Testament events. The 27 books of the New Testament were written by several men of different backgrounds and levels of education over a period of several decades under various circumstances, e.g., on missionary journeys, in prisons, in exile, on two different continents, Asia and Europe. Yet there is a remarkable harmony in their eyewitness accounts and teachings. Such harmony provides strong evidence that the New Testament scriptures were inspired by God; otherwise, the historical record of the New Testament could not have been written with such unerring accuracy. The purpose of this book is to highlight and trace this harmony. Hopefully, it will serve as a tool in your study of the Bible. **The Beauty of God's House**

Francesca Aran Murphy, 2014-05-23. For thirty years, Stratford Caldecott has been an inspirational figure in liturgy, fantasy literature, graphic novels, spirituality, education, ecology, and social theory. Hundreds of people have learned from his spiritual approaches to the great existential questions. *The Beauty of God's House* is a Festschrift dedicated to him. The book seeks to cover the whole range of Caldecott's interests, from poetics to politics. Anyone interested in the field of theology and the arts will find much to intrigue them in this delightful, multi-authored volume. The common core of Stratford's interests is in the beauty of the cosmos and how it reflects the beauty of God. This book is about the beauty of God's realm, and it conceives God's realm as the arts, politics, liturgy, religions, and human life. It touches on the many places where beauty and spirituality overlap. It is an engagement in theological aesthetics that goes well beyond the aesthetic. **Spring 2008 Symposium**, 2008 **The Garden Magazine**, 1916 [The Country Gentleman](#), 1909 **The Farmers' Advocate and Home Magazine**, 1918 *United States Economist, and Dry Goods Reporter*, 1919 **Broken Open** Craig Hamilton, Neil Jameson, 2011-09-28. The true story of how ABC broadcaster Craig

Hamilton stared down his demons to survive a mental breakdown Broken Open is the story of ABC sports broadcaster Craig Hamilton and how on the eve of the biggest undertaking of his career he suffered a complete mental breakdown Instead of covering the Sydney Olympics Craig was confined to a padded cell in a mental institution and later diagnosed as suffering bipolar disorder This catastrophe not only denied Craig his place at the Games it almost ruined his career and turned his role as devoted husband and father into a living hell From his initial shocking breakdown to his gradual and eventual recovery Craig sifts through the evidence to identify the warning signs that might have told him he was in serious trouble This trail identifies a family man who could be so typical of any of us It illustrates that mental illness is not something that just happens to other people It is an issue much closer to home and touches many more lives than we could ever imagine
