A Comprehensive Study Guide, 8th edition** Judith E. Tintinalli,J. Stephan Stapczynski,O. John Ma,David M. Cline,Garth D.
Meckler,2016-03-22 The most widely used and highly regarded textbook and reference of emergency medicine Endorsed by
the American College of Emergency Physicians The 8th edition of Tintinalli s Emergency Medicine provides the depth and
breadth of coverage that reflects the complexity and expertise needed to practice emergency medicine successfully in today s
fast paced environments It is an important contemporary clinical emergency care resource for physicians NPs and PAs who
practice emergency medicine and for emergency medicine and pediatric emergency medicine fellows It remains the
preferred study guide for in training and board examinations and recertification NEW to this edition Full color design with
more tables than ever to succinctly present key information Extensive updates to all sections incorporating the latest
guidelines evidence based protocols and relevant research Expanded pediatric section with complete clinical information for
general and pediatric emergency physicians Expanded coverage of common emergency department procedures with
improved illustrations Online access to more than 30 videos covering a wide range of procedural and diagnostic topics and
focusing on the latest ultrasound guided techniques From the reviews of the seventh edition Collectively they have once
again produced an excellent text that manages to cover the broad scope of emergency medicine while remaining an easily
readable and practical resource Last for the inevitable comparison of this current edition of Tintinalli s Emergency Medicine
with other available emergency medicine textbooks available in my opinion Tintinalli s still comes out on top It is more
concise and easier to read than some yet it covers the breadth of emergency medicine practice more comprehensively than
others Just as previous editions did the seventh presents all of the most pertinent and up to date information in a well
organized format that is comprehensive yet easy to read That and many of the attractive new features in this current edition
will ensure its place on my bookshelf for years to come JAMA Subject Guide to Children's Books in Print 1997 Bowker
