Governing Health William G. Weissert, Carol S.

Weissert, 2019-04-02 How do government and private interests shape the health policy process In this classic text William G Weissert and Carol S Weissert describe how government and private interests help define health policy Under the Obama administration the federal government took a broadened role in setting health policy and insurance regulations But the succeeding Trump administration and a Republican congress threatened to dismantle the Affordable Care Act ACA and its core tenets Chronicling these recent important changes Governing Health explores the political science theory behind this and other major shifts in national health policy In this thoroughly updated edition the authors describe how party polarization a virulent anti government movement populist presidential politics and the demise of regular order in Congress shape and define a new approach to health policy This revised edition also offers a comprehensive synthesis of Obamacare touching on everything from Accountable Care and Pay for Performance to insurance industry reforms highlights the important role of social media in building opposition to universal coverage tracks passage of the new Medicare physician payment reform MACRA analyzes presidential executive orders and administrative rulemaking in dismantling the Affordable Care Act examines the implications of Supreme Court decisions on Medicaid expansion and state health policy updates all statistics charts and tables This new edition of a highly respected book guides readers toward a deep understanding of modern health policy's complexities Drawing on compelling current examples Governing Health is a timely and essential book

Compromised Seamus Bruner, 2018-08-16 If you ask most Americans what they think about the FBI they would tell you it's far and away the government agency they trust the most The Bureau has for decades sold an image of itself as efficient

professional unbiased and untouchable by corruption That portrait is a sham Seamus Bruner and the Government Accountability Institute have spent years cataloging the widespread conflict of interests of the D C political class They have found massive self enrichment and political bias at the highest levels of government including the Justice Department and the FBI Indeed the nation s most important law enforcement agency has become so compromised that every major investigation should face intense scrutiny from the public the media and from Congress James Comey Robert Mueller Andrew McCabe and the rest of the recent FBI leadership should be forced to answer for the way the Bureau has abused the public trust under their watch

Safety in Medication Use Mary Patricia Tully,Bryony Dean Franklin,2015-08-18 An estimated 1 in 20 patients are admitted to the hospital due to problems with their medication and 1 in 100 hospitalized patients are harmed due to medication errors during their stay The prescribing of medications is the most common health care intervention and medication safety is relevant to all health care professionals and patients in all *Framing Inequality* Matt

Guardino,2019-02-13 This book argues that political economic features of the U S commercial media system have generated news coverage that favors neoliberal viewpoints during pivotal domestic policy debates since the early 1980s It also demonstrates that this coverage can shape public opinion to support policies that exacerbate economic and political inequality *Friends Journal* ,2008
