Designing Digital Literacy Programs with IM-PACT Ruth V. Small,2005 Presents an introduction to designing digital literacy programs through an educational model called IM PACT and includes information on the theory and methods required for creating engaging lesson plans and instructional programs *Intelligent Economies* Stacey-Ann Wilson,2021-06-02 The small island developing states of the Caribbean have been slowing adopting initiatives and technologies that will bring them closer to their aspirations of being robust digital societies The authors of this volume are academics and technologists who are actively engaged in the Caribbean technology for development ecosystem This volume explores three broad themes the political economy of developing intelligent economies in the Caribbean culture and the intelligent economy specifically how Caribbean creative industries and technology can be leveraged in this new environment and business and the intelligent economy with special focus on the gig economy business intelligence agriculture makerspaces and corporation innovation The SAGE Encyclopedia of Educational Technology J. Michael Spector,2015-01-29 The SAGE Encyclopedia of Educational Technology examines information on leveraging the power of technology to support teaching and learning While using innovative technology to educate individuals is certainly not a new topic how it is approached adapted and used toward the services of achieving real gains in student performance is extremely pertinent This two volume encyclopedia explores such issues focusing on core topics and issues that will retain relevance in the face of perpetually evolving devices services and specific techniques As technology evolves and becomes even more low cost easy to use and more accessible the education sector will evolve alongside it For instance issues surrounding reasoning behind how one study has shown students retain information better in traditional print formats are a topic explored within the pages of this new encyclopedia Features A collection of 300 350 entries are organized in A to Z fashion in 2 volumes available in a choice of print or electronic formats Entries authored by key figures in the field conclude with cross references and further readings A detailed index the Reader s Guide themes and cross references combine for search and browse in the electronic version This reference encyclopedia is a reliable and precise source on educational technology and a must have reference for all academic libraries **Higher Education and Quality Assurance Practices** Saeed, Saqib,Rana, Omer,Dhanaraj, Rajesh Kumar,2024-12-18 Quality education is essential for achieving the education for all sustainable development goal outlined by the United Nations While quality assurance tools like rankings and accreditations aim to improve higher education they sometimes lead to institutions adopting short term measures rather than sustainable practices Effective quality assurance ensures academic standards enhances teaching and learning promotes accountability and supports continuous improvement To achieve long term benefits for students and stakeholders higher education institutions must prioritize sustainable quality practices in their strategic and operational planning Higher Education and Quality Assurance Practices provides case studies and concepts related to quality assurance practices adopted in higher education to

improve education quality to achieve sustainable development goals It explores quality assurance challenges and implications for higher education institutions Covering topics such as academic integrity faculty burnout and tutoring systems this book is an excellent resource for higher education leaders faculty quality assurance professionals education policymakers consultants advisors and more **India Social Development Report 2023** Indira Hirway,2023-12-23 This report highlights that gender inequalities and women s subordination in India are caused by two formidable macro structures patriarchy and the exclusion of unpaid work from the macro economy Both these structures reinforce each other and negatively impact women s empowerment Patriarchy imposes subordination on women and forces a disproportionately higher share of unpaid domestic services and unpaid care onto them This is unfair and unjust a violation of basic human rights Other structures like race religion and caste cut across these main structures The selected papers in this report show how patriarchy causes gender inequalities in all critical dimensions of women s life on the one hand and how unpaid domestic services and unpaid care sustains the macro economy and its growth on the other The contributors discuss pathways to integrate unpaid work with the macro economy such that the strength of patriarchy declines and at the same time gender equality is promoted To put it differently unless the structures are addressed by integrating unpaid work inequalities cannot be addressed effectively The report emphasizes that this is the only way to move to real macroeconomics The papers have explored pathways to break these structures gradually to achieve gender equality and empower women Though the path is challenging it is feasible to reach the goal of pervasive gender equality **Crisis or Redemption with AI and Robotics? The Dawn of a New Era** Manuel F. Silva,Mohammad Osman Tokhi,Maria Isabel A. Ferreira,Benedita Malheiro,Pedro Guedes,Paulo Ferreira,Maria Teresa Costa,2025-10-25 Robotics and Artificial Intelligence hold the potential of significantly augmenting human cognitive and physical performance giving light speed and extreme accuracy to human systems and processes contributing to overcome some of the most complex challenges that humankind faces nowadays But intelligent technologies also pose high risks to human safety autonomy and dignity and they can also negatively impact the environment affecting and even threatening the planet s sustainability and the life of other species By questioning the ontological status of intelligent tools this book analyzes their level of efficiency and ethical performance across distinct domains and settings highlighting the role of standardisation certification and governance in the production and deployment of beneficial intelligent systems The present book is a fundamental reading both to academia and industry i e to all those involved in the design production and safe and ethical deployment of intelligent technologies **Privacy Matters** Ketan Modh PhD,2025-01-25 Picture this You re sipping your morning chai scrolling through your phone In those few moments your personal data has already traveled across three continents Scary Maybe Inevitable Not quite Welcome to India s digital revolution where data protection isn t just corporate jargon it s your digital lifeline But let s face it making sense of terms like data fiduciary and privacy by design can feel like solving a Rubik s cube blindfolded That s where this book comes in Whether
