is a course for young adult and adult students of English It is suitable for complete beginners and for those who already have  
some knowledge of the language and provides between 90 and 120 hours of work The series is intended to help students  
become confident in speaking and understanding simple English It aims to train them to function well in the context of  
English as an international language and to give them a formalized knowledge of how English works to support their  
communicative practice At the same time it aims to develop the good learning habits and techniques students need both in  
class and when studying on their own [Industrial Education Magazine](#) Charles Alpheus Bennett, William Thomas

Technology funded by the Horizon 2020 Framework Programme of the European Union Current grammatical knowledge  
about particular sign languages is fragmentary and of varying reliability and it appears scattered in scientific publications  
where the description is often intertwined with the analysis In general comprehensive grammars are a rarity The SignGram  
Blueprint is an innovative tool for the grammar writer a full fledged guide to describing all components of the grammars of  
sign languages in a thorough and systematic way and with the highest scientific standards The work builds on the existing  
knowledge in Descriptive Linguistics but also on the insights from Theoretical Linguistics It consists of two main parts  
running in parallel the Checklist with all the grammatical features and phenomena the grammar writer can address and the  
accompanying Manual with the relevant background information definitions methodological caveats representative examples  
tests pointers to elicitation materials and bibliographical references The areas covered are Phonology Morphology Lexicon  
Syntax and Meaning The Manual is endowed with hyperlinks that connect information across the work and with a pop up

glossary The SignGram Blueprint will be a landmark for the description of sign language grammars in terms of quality and quantity
