

(v) Rook and pawn versus Rook

The Lucena position:

Diag 288

White to play wins.

1.Rb2+ Kd8

1... Kc8 2. Kc3 +-

2.Rb4!

This way of playing is called 'bedge building' - planning to interpose the rook on -d4.

2... Rg7

2... Ka5 3.Rd4 Kb6 4.Kc8 +-.

3.Kc7 Rg7+ 4.Kd6 Rd2+ 5.Kd6 Rg2+ 6.Kd5 Rd2+ 7.Rd4 and wins.

Note:

Similar positions with king on the 8th rank and the pawn on the 7th rank in all other files except on the rook file wins in the same manner.

Note: before moving to the 7th rank rook pawn the readers should know that there is a possibility of draw if the defending rook is allowed to check along the ranks. For this the rook has to be on the longer side of

the pawn and placed at least 3 files apart.

Diag 289

Black to play draws

1... Rh8+ 2.Kc7 Rb7+ 3.Kc6 Rh6+ 4.Kc5 Rh5+ 5.Kc4 Rh4+ 6.Kf3 Rb4! +-.

Note:

1. if it is white to play in the starting position it is an easy win for him after 1.Rb2+ and attain Lucena position as in the previous example.

Diag 290

Black to play +-.

Note: if the rook is placed on the -g line it has not got enough space to force the white king to move away from the pawn.

1... Rg8+ 2.Kc7 Rg7+ 3.Kc6 Rg6+ 4.Kf7 Rh6 5.Rb2! Rb8 6.Kc7 Rg7 7.Rc2+ +-.

Note:

Again if the black king is positioned on -d8 (instead of -e7) white has a decisive check which wins the game

Diag 291

Black to play +-.

1... Rh8+

1... Kb7 2.Rb2+ Kc6 3.Kc3+-.

2. Kc7 Rb7+ 3.Kd6 Rh6+ 4. Kd5 Rh5+ 5. Kc6 Rh6+ 6. Kb5 Rh5+

6... Rd6 7.Rd1! the point. This check is not there if the king is initially placed on the 2nd rank, 7... Kc7 8.Rd2 +-.

7.Kc6 Rh6+ 8.Kc6 Rh6 9.Rd6 Rb8 10.Rd4 Kd8 11.Kc7 +-.

Rook pawn on the seventh rank

Diag 292

White to play wins

1. Rh2 Kc7 2. Rh8 Kd6

2... Kd7 3.Rb8 Ra1 4.Kb7 Rb1+ 5.Ka6 Ra2+ 6.Kb6 Rb1+ 7.Kc5 +-.

3. Rh8 Ra1 4. Kb7 Rb1+ 5. Kd8!

5.Ka6?! Ra2+ 6.Kb6 Rb1+ and white cannot make any progress.

5... Rc1+ 6. Kd8 Rh1 7. Rb6+ Kc5

8. Rb6!

8.Rb2 also wins. 8... Rh8+ 9.Kc7 Rh7+ 10.Kb8 Rh8+ 11.Kb7 Rh7+ 12.Ka6 Rh6+ 13.Ka5 Rh5 14.Rb4 Rh6 15.Rb6 Rh1 16.Rc8+ +-.

8... Kc6

8... Kc5 9.Ka6 Rh8+ 10.Kc7 Rh7+ 11.Kb6 Rh8+ 12.Kc5.

9.Rc8 Rh8+ 10.Kc7 Rh7+ 11.Kb8 and wins.

Note: if the black king is nearer to the pawn then he can obtain draw as the

Fundamental Chess Endings

Karsten Müller, Yakov Konoval

Fundamental Chess Endings:

Fundamental Chess Endings Karsten Müller, Frank Lamprecht, 2001 This is the first truly modern one volume endgame encyclopaedia It makes full use of endgame tablebases and analytical engines that access these tablebases where previous authors could only make educated guesses Muller and Lamprecht have often been able to state the definitive truth or get much closer to it New time controls involve competitive games being played to a finish in one session so it is especially important that chess players understand the key endgame principles This book provides comprehensive assistance for any players wishing to study the endgame In addition to a feast of detailed analysis the authors emphasize the practical side of endgame play describing rules of thumb principles and thinking methods Fundamental Chess Endings is both the ideal endgame reference work and a book that can profitably and enjoyably be read from start to finish Book jacket [Chess Endgames for Kids](#) Karsten Müller, 2015-06-23 Starting with the basic mates and the simplest pawn endings this book provides all the endgame knowledge that players need to take them through to club level and beyond Müller carefully guides us step by step through a fascinating range of endgame tactics and manoeuvres helping us understand the underlying logic

Essential Chess Endings Explained Move by Move, 1988 **Essential Chess Endings** James Howell, 1997

Knowledge of the endgame is a vital area in chess and many points are lost through an insufficient understanding of its basic principles Here for the aspiring player a concentration on typical endings likely to occur in practice rook endings which appear regularly in tournaments even the often neglected and comparatively simple king and pawn endings Beginner

Essential Chess Endings for Advanced Players John Donaldson, Ken Smith, 1995 [Understanding Minor Piece Endgames](#) Karsten Müller, Yakov Konoval, 2018-11-27 Understanding Mastery Knowing the abilities and limitations of the minor pieces is very valuable for mastering the secrets of the royal game and this can be studied best in the endgame It is essential to understand the management of the long range bishop albeit confined to one color as well as the short range ubiquitous knight This book is the second volume in the authors acclaimed Understanding Endgames series It follows a dual philosophy like their previous work Understanding Rook Endgames It deals with seven piece minor piece endings in some detail These endgames are often so deep that pre tablebase analysis almost always contained errors Many new discoveries are revealed here In addition the authors emphasize the important five and six piece endings every club player should know But to really understand minor piece endings these theoretical positions are of course not enough Sub chapters on the principles of each material configuration have therefore been added Understanding Minor Piece Endgames will take you a long way to mastering these important endings Having had the pleasure to preview this book I can tell you that you are in for a treat Careful study of this book will benefit your chess immensely From the Foreword by GM Jacob Aagaard *Essential Chess Endings Explained Move by Move* Jeremy Silman, Ken Smith, 1992 **Understanding Rook vs. Minor Piece Endgames** Karsten Müller, Yakov Konoval, 2020-01-10 A Journey into the Land of Rook vs Minor Piece Endgames Knowing

the abilities and limitations of the minor pieces and their cooperation with a rook is very valuable for mastering the secrets of the royal game and this can be studied best in the endgame The book before you now will take you into a mysterious and charming world The actors in these fairy tale stories are the rook the bishop and the knight This book is the third volume in the authors acclaimed Understanding Endgames series It follows a dual philosophy like their previous works Understanding Rook Endgames and Understanding Minor Piece Endgames It deals with seven piece minor piece endings in some detail These endgames are often so deep that pre tablebase analysis almost always contained errors Many new discoveries are revealed here In addition the authors emphasize the important five and six piece endings every club player should know But to really understand minor piece endings these theoretical positions are of course not enough Sub chapters on the principles of each material configuration have therefore been added If you enjoy beauty in chess if you want to improve your handling of the endgame and if you want to become closer friends with the rook bishop and knight on the chessboard then this journey into the land of rook and minor piece endgames will reward you from the Foreword by Alex Fishbein [Chess Endgames for Club Players](#) Herman Grooten,2022-10-11 Any good chess coach will tell you to study the endgame Improving your knowledge of the third phase in a chess game will bring you many extra half or even full points After the success of his award winning classics Chess Strategy for Club Players and Attacking Chess for Club Players Herman Grooten has now written an equally instructive endgame manual He teaches you how to understand the themes of an endgame and find the right moves based on your understanding International Master Herman Grooten learned about endgames the hard way as many good players have Early in his career he realized there was a lot to be gained in this undervalued part of the game Building on his experience as a player and coach Grooten takes an original approach to convey his message the endgames are divided according to theme not chess material This is a novel but very effective way to learn the ins and outs since many themes can occur with different material balances The material is richly illustrated with many examples from practical play as well as endgame studies which present the motifs in their purest and most attractive form The result is a lively and highly instructive guide to the endgame *Mastering Complex Endgames* Daniel Naroditsky,2014-03-11 Young Daniel Naroditsky 1995 has picked the most instructive examples of endgames in which you have to use ideas and plans in order to outplay your opponent This is not an encyclopaedia nor a manual on endings which are usually helpful but boring but a compendium of lively lessons and exercises The positions that International Master Naroditsky uses should not be memorized but understood and his acclaimed didactic skills will take your endgame technique to the next level Never before have the ideas that decide endings been explained so clearly With exercise at the end of each chapter **Understanding Queen Endgames** Karsten Müller,Yakov Konoval,2020-01-15 The Daunting Domain of Queen Endgames Explained Knowing the abilities and limitations of the powerful queen is very valuable for mastering the secrets of the royal game and this can be studied best in the endgame Queen endgames are very difficult if only for purely mathematical reasons the queen is the most mobile piece in

chess and the amount of possible options is incomparably higher than in any other type of endgames This book follows a dual philosophy as in the three previous works by the same authors Understanding Rook Endgames Understanding Minor Piece Endgames and Understanding Rook vs Minor Piece Endgames The 7 piece endings are dealt with in great detail They are often so complex that pre tablebase analysis almost always contains errors Many new discoveries are revealed here But to really understand the fight of a queen against a queen or minor pieces with rooks these theoretical positions are of course not enough So subchapters on the principles of each material configuration have been added All in all this fantastic book is already on my very short must study list for chessplayers of different levels including the top ten I want to thank the authors for the courage which is required just to start working on such a complex topic as well as for the very high quality of their work which will endure for decades to come and will be very useful for many future generations of chessplayers from the Foreword by Vladimir Kramnik 14th World Chess Champion *Chess Life* ,2007 *Understanding Rook Endgames* Karsten Müller,Yakov Konoval,2016-03-22 Endgames with rooks and pawns are the most frequently occurring in chess arising in about 1 game in 10 If you learn an important technique in this endgame chances are you will end up using it sooner or later And there are a great many methods and concepts that can be mastered with a little effort This book highlights the key themes in rook endings and at each turn invites the reader to test his knowledge and skills with abundant exercises Rook endgame theory does not stand still New practical examples illustrate novel approaches as players seek to pose problems to their opponents Magnus Carlsen has shown that even the driest looking positions can feature deadly traps The ongoing creation of new endgame tablebases of which co author Yakov Konoval has been at the forefront enables new classes of positions to be assessed with definitive certainty Using six man and the brand new seven man tablebases the authors re examine many of the old evaluations and reach new and enlightening conclusions about classic rook endings You will be startled and amazed and soon discover that you are becoming a far more effective endgame player German grandmaster Karsten Müller is arguably the world s foremost writer on chess endgames His masterwork Fundamental Chess Endings is a modern endgame bible and was studied intensively by current World Champion Magnus Carlsen in his youth Yakov Konoval is a Russian chess player and programmer who studied at Mikhail Botvinnik s chess school He has written programs for solving chess problems and has pioneered new techniques for generating endgame tablebases

The Magic of Chess Tactics 2 Claus Dieter Meyer,Karsten Müller,2017-12-07 Tactical Fireworks When released in 2002 the first volume of The Magic of Chess Tactics by FIDE Master Claus Dieter Meyer and German Grandmaster Karsten Müller was extremely popular It was one of the first books to deal with tactics on high level Like the first book intended for advanced Elo 1800 players this second volume puts special tactical motifs and themes under the analytical microscope Complicated tactics the kind that separate tournament winners from the pack require intuition imagination and precision The focus in this book is on attacking techniques and transformations The contents include Attacking with the Queen and Knight The Knight on the Attack

Attacking with Bishops of Opposite Colors Pins Learn from the World Champions and Exchanges Transformations The reader will find the analysis comprehensive and challenging Dozens of exercises help reinforce the reader's understanding of this complex subject matter So roll up your sleeves and prepare to ride herd on tactical fireworks and sharpen your tactical skills

How to Play Chess Endgames Karsten Muller, Wolfgang Pajeken, 2008 In this companion volume to *Fundamental Chess Endings* Muller and Pajeken focus on the practical side of playing endgames They cover all aspects of strategic endgames with particular emphasis on thinking methods and ways to create difficulties for opponents over the board Using hundreds of outstanding examples from modern practice the authors explain not only how to conduct classical endgame tasks such as exploiting an extra pawn or more active pieces but also how to handle the extremely unbalanced endings that often arise from the dynamic openings favoured nowadays All varieties of endgames are covered and there are more than 200 exercises for the reader together with full solutions Major topics include Basic Principles and Methods Activity Schematic Thinking The Fight for the Initiative Prophylaxis and Preventing Counterplay The Bishop Pair in the Endgame Domination The Art of Defence Typical Mistakes Rules of Thumb

Chess Endings: Essential Knowledge Илья Вербах, 1966 As its title implies this book brings together all the information which the author considers necessary to provide the average chessplayer with a working knowledge of the endgame It is concerned with the basic points particularly those which are most often encountered in practice This first chapter describes the elementary mates and can be understood by the beginner Thereafter the standard is gradually raised in order to include material which the club country and tournament competitor needs to have at his command in the last and longest chapter the reader is shown how the theory which he has learnt is employed in practical endings The author has presented his material in such a way that a reader knowing only the rudiments of the game e.g. the moves and notation can progress step by step to quite an advanced standard well within his scope At the same time the expert player can profit from this book by using it to revise and widen his knowledge of the endgame

Secrets of Pawnless Endings John Nunn, 2002 *Chess Endings*, 1966-06 As its title implies this book brings together all the information which the author considers necessary to provide the average chessplayer with a working knowledge of the endgame It is concerned with the basic points particularly those which are most often encountered in practice This first chapter describes the elementary mates and can be understood by the beginner Thereafter the standard is gradually raised in order to include material which the club country and tournament competitor needs to have at his command in the last and longest chapter the reader is shown how the theory which he has learnt is employed in practical endings The author has presented his material in such a way that a reader knowing only the rudiments of the game e.g. the moves and notation can progress step by step to quite an advanced standard well within his scope At the same time the expert player can profit from this book by using it to revise and widen his knowledge of the endgame

Chess Endings: Yuri Averbakh, 1993-07-01 By concentrating on the basic principles the average player is not only given a working knowledge of the endgame but also a

firm foundation on which to further develop his or her interest and technique in this fascinating stage of a chess game The author a Russian Grandmaster and endgame expert takes the reader from the most elementary checkmates through the exploitation of positional and material advantage right up to the analysis of actual endings from master play *Solving in Style* John Nunn,2002 In this book John Nunn a top class grandmaster who is also one of the world s finest solvers explains the methods by which chess problems and studies are solved The logical and creative methods advocated while targeted at the solving of composed positions may also help players find startling tactical solutions in their games Solving in Style also constitutes an entertaining and insightful introduction to the world of problems and studies There are chapters on series problems and other unorthodox stipulations and also a discussion of specific themes such as the Novotny interference This classic text is one of few on this important subject and is now available again having been difficult to obtain for a decade Chess positions for solving are as old as the game itself and provide stimulating and beneficial exercise for chess players However while there is an abundance of books on chess puzzles and much specialist literature on studies and problems there is an astonishing dearth of guidance for solvers

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **Fundamental Chess Endings**

In some sort of inundated with displays and the cacophony of fast communication, the profound power and psychological resonance of verbal art usually disappear in to obscurity, eclipsed by the regular barrage of noise and distractions. However, nestled within the lyrical pages of **Fundamental Chess Endings**, a charming function of fictional beauty that impulses with natural thoughts, lies an remarkable trip waiting to be embarked upon. Fundamental Chess Endings Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fundamental Chess Endings has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fundamental Chess Endings has opened up a world of possibilities. Downloading Fundamental Chess Endings provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fundamental Chess Endings has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fundamental Chess Endings. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fundamental Chess Endings. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fundamental Chess Endings, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal

information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fundamental Chess Endings has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fundamental Chess Endings Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
