GENERAL CHEMISTRY

The Essential Concepts

The cover features several molecular models on a dark, textured background. In the center, a diatomic molecule is shown with two purple spheres connected by a light-colored rod. To its right, a green arrow curves upwards and to the right. In the bottom left, two purple spheres are shown with a bright green beam of light passing through them. Scattered throughout the background are other smaller molecular models, including diatomic and triatomic structures, some with purple spheres and others with pink spheres.
