Instagram Business Paul HAITAIAN, 2018-11-10 In this book you will find very precious value about growing your page that I've learned with hours of courses and formation. If you start looking for the same content on the Internet for free, you may never find as much content and value for your success on Instagram. Of course, after hours you may find something, but here I tried my best to do the best Instagram business book possible. Here you will find all the information I have been looking for for weeks on the Internet in just one book, divided and classified in 3 parts. The first one is about creating a better account, the second is about growing it, and finally the third is about monetizing it. Why you can trust me, I helped many pages to grow on the gram and to monetize their account. I work with famous French influencers, and my network on Instagram has given me the opportunity to share all of what I've learned with you guys. I managed many accounts that I sold, and now I sell my services and consulting to pages wanting to monetize their account. I helped many pages which are now becoming references in their niche and have more than 50k followers.
