

# PPE Exam Skills Prep for International Engineering Graduates

How will OSPE's course benefit you?

1

**What's in it for you?**

- 30-33 hours of classroom instruction dedicated to the Professional Practice Exam
- Small class size and a highly recommended P.Eng. instructor
- All exam preparation materials, including a law textbook
- Valuable networking opportunity with colleagues

## Unrivaled Resources & Features

## Learning at an Ideal Pace

**We slow down the pace of learning for a reason...**  
To elevate your learning! By spreading the course material across several weeks, you're able to better engage with the material and ask questions. You'll develop a solid understanding of legal and ethical regulations critical to the PPE and the work you do in industry. It's about more than preparing for the exam – it's about elevating your profession too!

2

3

**We prepare you for the PPE and your long-term professional needs:**

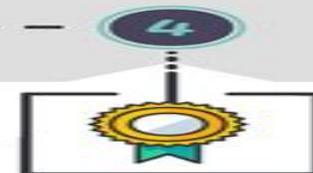

- Knowledge of the Canadian legal system, including tort law, business structures, legal duties of engineers, professional liability, property law, human rights & more!
- Knowledge of the Code of Ethics, ethical duties of engineers, regulation of the profession, product liability, professional misconduct, disciplinary procedures & more!
- Methods of approach for answering PPE questions, including sample questions

## In-Depth Curriculum

## Track Record of Success

**Most participants attend because of a recommendation from a past student:**

- 80% say they better understand the standards and behaviours expected of them as an engineer in Canada
- 84% say they gained a better understanding of the engineering profession in Canada
- 90% say the technical content prepared them for the PPE

4

5

**Our support continues AFTER you complete the program!**

- Enjoy access to post-program resources up to 1 year after completing the program:
- Supporting you when you resubmit your Experience Record post-PPE – OSPE's workshop "Preparing your PEO Experience Record" (over \$200 value)
  - Meeting you wherever you are in your career – 1 hour of personalized job coaching with career expert Paul Hill (over \$200 value)
  - Advanced notification about upcoming workshops and industry events

today *Study Guide for Fundamentals of Nursing E-Book* Barbara L. Yoost, Lynne R. Crawford, Patricia Castaldi, 2022-02-12  
Get the review and practice you need to master the role of today's nurse. With chapters corresponding to the chapters in Yoost's *Fundamentals of Nursing* 3rd Edition, this study guide provides a variety of exercises and activities to reinforce your understanding of nursing concepts and skills. Chapter reviews use engaging activities to make learning more meaningful, and review questions help you apply concepts to the practice setting. Now with new Next Generation NCLEX style practice questions, this study guide also prepares you for success on classroom and NCLEX examinations. Chapter review questions include multiple choice, matching, true/false, and image labeling questions testing your comprehension of nursing fundamentals and making learning more fun. Answers and detailed rationales for all of the questions are included in the back of the study guide. Skills performance checklists on the Evolve website are completely updated to match the latest versions of nursing skills and are both interactive and printable. NEW Next Generation NCLEX style practice questions in clinical chapters help you develop skills in clinical judgment. NEW Updated content reflects changes to the *Fundamentals of Nursing* 3rd Edition textbook. NEW Preliminary Readings refer you back to the related chapter in the textbook. NEW Open-ended questions provide questions, activities, and guidance to make study group time more productive. **Safety Professional's**

**Reference and Study Guide** W. David Yates, 2017-12-12. While there are numerous technical resources available, often you have to search through a plethora of them to find the information you use on a daily basis. And maintaining a library suitable for a comprehensive practice can become quite costly. The new edition of a bestseller, *Safety Professional's Reference and Study Guide*, Second Edition, provides a single source reference that contains all the information required to handle the day-to-day tasks of a practicing industrial hygienist. New Chapters in the Second Edition cover Behavior-based safety programs, Safety auditing procedures and techniques, Environmental management, Measuring health and safety performance, OSHA's laboratory safety standard, Process safety management standard, BCSPs Code of Ethics. The book provides a quick desk reference as well as a resource for preparations for the Associate Safety Professional (ASP), Certified Safety Professional (CSP), Occupational Health and Safety Technologist (OHST), and the Construction Health and Safety Technologist (CHST) examinations. A collection of information drawn from textbooks, journals, and the author's more than 25 years of experience, the reference provides, as the title implies, not just a study guide but a reference that has staying power on your library shelf.
