Kaul, 2023-01-17

UNDIVORCED is an interesting biographical portrayal of Paarthiv from Kashmir in the early fifties of the last century He was transferred by his employer to Calcutta only after three months of his marriage much to the utter displeasure of the new weds then of course for the obvious reasons As ill luck would have it he lost his job there for whatever reasons and went penniless He was neither able to return back home nor was he able to sustain his living as a stranger to the city there unfamiliar to him in every respect including the ethnic language for communication But being an embodiment of confidence and courage he fought his way to rise from destitution to an enviable affluence and came to be regarded as one of the most charismatic alien celebrities of the place known otherwise for its orthodox civility However in the world of audacious society there he stayed alienated from his wife who had given birth to his son only about six months of his departure from his home The couple remained alienated and estranged from each other for sixteen long years Then the happy rendezvous of the family took place through a fateful coincidence brought about by Parijat the mentor of their son interestingly personified by the author himself The period that

followed is an absorbing description of funny incidents superstition travels to places atonement teen age romance and a saga of highs and lows offered by the life in many wishful and weird ways The novel establishes the fact of life as A Spectacle of Characters Episodes and Scenes Scripted by Destiny which makes it a very interesting read **Industrial Engineering** George Worthington,1886 **Columbia University Quarterly** ,1908 Vol 6 includes 150th anniversary number Who's who Henry Robert Addison,Charles Henry Oakes,William John Lawson,Douglas Brooke Wheelton Sladen,1898 An annual biographical dictionary with which is incorporated Men and women of the time *Design* ,1992 **Practical Engineer** ,1909 **Proceedings of the Royal Society of Edinburgh** Royal Society of Edinburgh,1910 List of fellows for 1908 in v 25 *The Journal of Education* ,1901 The Science Year Book ,1906 Kelly's directory of Leeds and its neighbourhood. 2nd-38th ed Kelly's directories, ltd,1886 **Winchester College, 1867-1920** Winchester College,1923 **Proceedings** Royal Society of Edinburgh,1910 The Athenaeum ,1871 *Engineering* ,1874
