Vlček,2000 Paperback The IFAC Workshop on Programmable Devices and Systems PDS started in the middle of the nineties in Poland The organisers believe that in the area of programmable devices and systems there are some problems specific to them which sufficiently justifies the decision to organise the PDS 2000 IFAC Workshop The Workshop s main objective is to provide a forum to present the latest research results and experiences in the area of the design and application of programmable devices and systems and a forum to discuss the current status and future trends of this particular branch of the programmable devices in measurement control and computer science **Good Packaging** ,1990 **Programmable Devices and Systems 2001** W. Ciazynski,W. Ciężyński,Edward Hryniewicz,P. Kłosowski,2002 Scientific meetings on programmable devices and systems began in 1995 with the PDS 95 event organised by the Institute of Electronics Silesian University of Technology SUT Many papers on the issues of programmable devices and systems were presented at numerous conferences and workshops devoted to electronics and circuit theory yet there were no workshops devoted solely to those particular topics Combined with the belief that some specific common problems appeared in the area of PDS justified the decision to organise the PDS meeting The PDS2001 IFAC Workshop organised by the Institute of Electronics SUT Gliwice Poland was the 5th event in the series The aim of the meeting was to define the future trends of this field via the interaction of industry technical research centres and academia representatives This Proceedings volume contains 54 duly presented papers and many of them when compared to the Preprints volume version have been corrected and enriched with the

discussion results The papers are grouped according to the Workshop plenary sessions topics as follows
