Self Help Mindset Stories:

Story Work GG Renee Hill,2025-11-04 A guide to understanding the stories we tell ourselves and the actions needed to reclaim power over our narrative We absorb the world around us through stories It s how we make sense of our surroundings our communities and ourselves There s often truth and validity in these stories But the stories we tell ourselves are not an end all be all Instead they re all part of a larger ongoing unfinished narrative one that we must continually refresh expand and contemplate to stay soft and open hearted Here s the thing we can choose to keep these stories open to possibility and imagination or we can choose to keep them closed That s where Story Work comes in Through essays and prompting questions GG Renee Hill invites readers to breathe new life into the stories we carry She leads by example by penning the raw material of her own life an upbringing raised by a mother with schizophrenia and a lifetime of internal and external forces trying to minimize that impact It was a long old heavy story Hill silently carried with her the powerless girl who lost her voice in the wreckage of her mother s condition until she turned to writing and began to change the meaning she d assigned to her experiences And she doesn t stop there Hill invites readers to the transformative practice of creative self discovery through storytelling treating our life experiences as creative material that we have the power to shape For the person searching Story Work is the answer that enables us to live with an open hearted curiosity one that both fuels and grounds us

Flourishing in Retirement Shelly Dale,2024-03-20 After many successful or maybe just stressful years in your career you finally have the chance to say goodbye to the demands of work and retire But like it or not work is often a central part of our adult lives and even identities Rather than enjoying your hard earned rest you might find yourself asking now what Retirement doesn t have to be intimidating and planning for it doesn t just need to involve your finances or picking up hobbies just so you can stay busy It can also be an exciting opportunity for growth self discovery intention and self care an opportunity to embrace joy That s what Flourishing in Retirement A Five step Guide to Joy for the Post career Woman is all about Backed up by research and author Shelly Dale s own experiences as a post career woman this book will help women and any other retiree who needs it build a retired life in which they feel empowered each day and unconditionally love themselves It includes helpful activities such as meditations and mind maps and thorough guides to coping behaviours mindset shifts and other healing techniques It s time to bust common myths about retirement break out of stinking thinking and take this chance to rediscover yourself your priorities and those daily glimmers that enrich our lives You deserve a joyous life and retirement and the five steps in this book will help you make joyous living a constant practice

Body, Mind, and Mouth Margaret Marshall,2012-12-06 Most people understand that they are in control of what and how they eat

Unfortunately there can be a daily disconnect regarding ones body mind and mouth very often lasting for years In this guide author Margaret Marshall uses insights and lessons from her clients lives along with her own experiences to address the challenges we often face controlling our weight She asks you to consider the unpleasant and sometimes life threatening circumstances we accept in our lives instead of taking responsibility for our well being Among the real stories she shares in Body Mind and Mouth is the story of a New York City police officer who no longer fits into his bulletproof vest He closes it tightly on his right side leaving a gap on his left side knowing to face right if he is ever in a shoot out Also included is the story of a working mother and her son who became increasingly heavier due to her busy life and the ease of obtaining fast food These and other stories illustrate how our minds affect our mouths how our mouths affect our bodies and how a shift in thought can benefit our health and wellness Margaret Marshall uses humor and real stories to demonstrate her vast knowledge of nutrition and psychology in the weight loss field She brings to the book the same enthusiasm and knowledge she does in her speaking Her message is clear well written and motivating Imagine a book that is easy to read and packed with good information Now thats a real deal Dr Harris R Cohen author of Lessons Learned How to Negotiate the Life You Want to Live
