Traitors Gate:

Traitors' Gate Kate Elliott, 2009-08-18 In Spirit Gate and Shadow Gate Kate Elliott took readers to the fascinating world of the Hundred a land teeming with an array of cultures gods and conflicts blighted by the shadow of chaos and destruction Now with the same intensity and dramatic sweep that has brought this epic to life Elliott returns to the exquisitely crafted cities and landscapes of the Hundred in a thunderous conclusion to the saga In the darkness of war and destruction forces gather to reclaim the peace Those immortal Guardians who still serve justice seek a means to end the devastating reign of one of their own a hired outlander army struggles to halt the advance of the horde that has despoiled vast lands and slaughtered countless people in its murderous wake while still guarding against a burgeoning threat from an aggressively expansionist empire and the eagle reeves who have long been the only law enforcers of the Hundred struggle to reorganize after a devastating massacre has decimated their numbers But even as these forces give hope to those who would live in peace a terrible danger looms a traitor with Imperial ambitions the most dreaded least anticipated threat of all In the unfolding drama of political upheaval and violent change nothing is certain as alliances dissolve and power shifts with the unpredictability of a desert sandstorm A riotous epic with the vast breadth and excitement only masterful storyteller Kate Elliott can summon Traitors Gate will leave her many readers begging for more At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

Tower of London Orin Brightfield, AI, 2025-02-19 The Tower of London explores the rich and complex history of this iconic structure delving into its evolution from a symbol of Norman dominance after the Norman Conquest to its multifaceted roles as a royal palace prison armory and treasury It highlights the tower s central place in English History and British History as it examines the stories of both famous figures like Anne Boleyn and Sir Walter Raleigh who were imprisoned within its walls and the countless others who shaped its legacy The book uniquely presents the Tower not merely as a static monument but as a dynamic reflection of England s changing identity Intriguing facts include its function as a menagerie housing exotic animals and its pivotal role in safeguarding the Crown Jewels The book unfolds chronologically and thematically tracing the Tower s foundational history its use as a prison and execution site and the enduring significance of the Crown Jewels Through
