## **Beatles String Quartet Sheet Music:**

Music: Ideas in Profile Andrew Gant, 2017-03-02 Ideas in Profile Series Is music a science or an art It s both as Andrew Gant reveals in this lively and accessible account of what music is and what it s for Music has been central to life since the dawn of humankind and is intimately bound up with the origins of language Andrew Gant introduces us to its long history and its many genres and manifestations He explains how composers compose players play and singers sing He looks at how musical styles develop the ways they fall in and out of fashion and why certain kinds of music dancing and love songs for example is a universal in human culture He considers how music is composed the nature of genius and the workings of inspiration He shows how music can be composed and used to stir patriotism instill courage reinforce identity sell a product or make a political point And he goes beyond humans to examine music in the natural world in the creativity of birdsong This is in short the ideal introduction to a very big subject
