Hoehn, 2021-02-17 *We Carry the Fire* describes a social and political spirituality defined by actions that save families civilization and the planet These actions based on values articulated in religious congregations result in tangible outcomes in the real world people live instead of die democracy is strengthened nature is restored and the human spirit flourishes The author shows how an action spirituality is different from me and escapist spiritualities Spiritual meaning is found by working in solidarity with people around the world to love our neighbors as well as those who aren't our neighbors as ourselves As congregations are struggling to adjust to contemporary realities Hoehn brings the passion and knowledge of a pastor academic author activist and grassroots organizer down to earth in real time
