Chess Strategy For Club Players:

Chess Strategy for Club Players Herman Grooten,2014-03-07 A top chess coach explains the fundamentals of chess strategy to amateur players Herman Grooten an International Master with over 25 years of experience has written a systematic primer about the basics of positional understanding with a massive amount of examples and exercises

Attacking Chess for Club Players Herman Grooten,2016-07-31 Every chess player loves to attack the enemy King Your goal is clear your thinking is concrete your creativity is in gear and direct victory is just around the corner Few things in life are better than a conducting a blistering King s attack But how good are you actually at attacking Have you ever analysed your efforts Looked at calculation errors missed chances and derailed efforts Highly experienced chess trainer Herman Grooten finds that many of his pupils overestimate their attacking skills Their fond memories of successful assaults often obscure the fact that there was a lot of room for improvement in their play After the immense success of his award winning classic **Chess Strategy for Club Players** Herman Grooten has now written an equally accessible primer on attacking chess He teaches you how to spot opportunities exploit weaknesses bring your forces to the frontline and strike at the right moment Grooten concentrates on training the most valuable skills visualizing structuring anticipating calculating memorizing and other mental aspects This is not just another collection of useful thematic moves but a complete and highly structured course of attacking techniques With great and fresh examples clear explanations and many instructive exercises **Chess**

Endgames for Club Players Herman Grooten,2022-10-11 Any good chess coach will tell you to study the endgame Improving your knowledge of the third phase in a chess game will bring you many extra half or even full points After the success of his award winning classics **Chess Strategy for Club Players** and **Attacking Chess for Club Players** Herman Grooten has now written an equally instructive endgame manual He teaches you how to understand the themes of an endgame and find the right moves based on your understanding International Master Herman Grooten learned about endgames the hard way as many good players have Early in his career he realized there was a lot to be gained in this undervalued part of the game Building on his experience as a player and coach Grooten takes an original approach to convey his message the endgames are divided according to theme not chess material This is a novel but very effective way to learn the ins and outs since many themes can occur with different material balances The material is richly illustrated with many examples from practical play as well as endgame studies which present the motifs in their purest and most attractive form The result is a lively and highly instructive guide to the endgame **Chess Strategy** Sam Loyd,1878 **The Complete Book of Chess**

Strategy Jeremy Silman,1998 An easy to understand guide to chess strategy conceptual planning has always been the amateur s dream This book makes that dream a reality This comprehensive guide in dictionary form the first of its kind makes all aspects of chess strategy quick easy and painlessly accessible to players of all degrees of strength Each strategic concept is listed alphabetically and followed by a clear easy to absorb explanation accompanied by examples of how this

strategy is used in practice Such great World Champions as Steinitz Capablanca Petrosian Fischer and Karpov have used these strategies in virtually all of their games Now you can arm yourself with their weapons As you incorporate these weapons into your own play they will enrich your appreciation of the game and lead you to one beautiful victory after another

Secrets of Modern Chess Strategy John Watson,1999-03 The first section of this book discusses classical themes such as pawn majorities the centre and structural weaknesses Watson then moves on to discuss new concepts including the willingness of modern players to accept backward pawns in return for dynamic play the idea of a good bad bishop knights finding useful roles at the edge of the board and the exchange of sacrifice ideas that became prevalent with the post war Soviet world champions

Chess player's annual and club directory, ed. by W.R. Bland W R Bland, **American Chess Bulletin** Hartwig Cassell,Hermann Helms,1916 *1001 Chess Exercises for Club Players* Frank Erwich,2019-10-28 Chess is 99% tactics This celebrated observation is not only true for beginners but also for club players Elo 1500 2000 If you want to win more games nothing works better than training your combination skills There are two types of books on tactics those that introduce the concepts followed by some examples and workbooks that contain lots of exercises FIDE Master Frank Erwich has done both he explains all key tactical ideas AND provides an enormous amount of exercises for each different theme Erwich has created a complete tactics book for ambitious club and tournament players He teaches you how to reach the next level of identifying weak spots in the position of your opponent recognizing patterns of combinations visualizing tricks and calculating effectively Erwich has also included a new and important element tests that will improve your defensive skills *1001 Chess Exercises for Club Players* is not a collection of freewheeling puzzles It serves as a course text book because only the most didactically productive exercises are featured Every chapter starts with easy examples but no worries the level of difficulty will steadily increase *The British Chess Magazine* ,1888 *"Our Folder" ...
