From Self-Care to We-Care Jordan Quaglia, 2025-05-06 Learn to harmonize self care with caring for others through we care a science based approach designed to enhance personal and social well being promote healthy boundaries and offer a path of healing and transformation Too many of us are familiar with

the burnout that can come from overextending ourselves for others Self care is often promoted as the solution to this imbalance but there are growing concerns that an overemphasis on self care is exacerbating interpersonal challenges fraying the fabric of our communities and diminishing our responsiveness to broader social issues In a world where time can feel increasingly scarce we find ourselves in a dilemma should we prioritize ourselves or others Yet as psychologist and compassion scientist Jordan Quaglia demonstrates this choice is based on a false dichotomy The emerging science and practice of we care reframes the very concept of care as a social force that includes both self and other Through personal stories guided inquiries practical social exercises and insights from cutting edge neuroscience Quaglia offers a framework and toolset designed to help you find a more balanced way to express your innate sense of compassion This holistic approach sparks transformative changes across your health relationships and work uplifting yourself and others while supporting a stronger more connected society for us all

The HBR Work Smart Collection (4 Books) Harvard Business Review, Russell Glass, Susan David, Amy Gallo, Lily Zheng, 2024-06-25 Rise faster with quick reads real life stories and expert advice It s not easy to navigate the world of work when you re exploring who you are and what you want in life How do you translate your interests skills and education into a career you love The HBR Work Smart Series features the topics that matter to you most in your early career including being yourself at work collaborating with sometimes difficult colleagues and bosses managing your mental health and weighing major job decisions Each title includes chapter recaps and links to video audio and more The HBR Work Smart Series books are your practical guides to stepping into your professional life and moving forward with confidence This specially priced four book collection available as a paperback or ebook set includes Authenticity Identity and Being Yourself at Work Bosses Coworkers and Building Great Work Relationships Boundaries Priorities and Finding Work Life Balance Experience Opportunity and Developing Your Career Self-Care and Stress Management for Academic Well-Being Clarke, Karis L., 2022-06-24 Self care is a topic that is often challenging in education Educators are required to learn to teach advise and cope with organizational change as well as encourage their students to take responsibility for their actions say no identify burnout establish a network of family and friends schedule breaks do things they enjoy and take care of themselves physically However teachers often do not follow these guidelines themselves It is important that teachers allow themselves the time and space to do the same things that they insist their students do Moreover it is important that administrators recognize and support these efforts as well Self Care and Stress Management for Academic Well Being discusses why self care for educators is needed in order for them to sustain the growth of the students at their institutions It explores the ways in which educators devote themselves to helping students develop their creativity and their academic voices but do not always give themselves the same permission Covering a range of topics such as physical care stress and self advocacy this reference work is ideal for researchers academicians practitioners scholars administrators instructors and students

PROGRAM YOUR MIND AND USE IT EVERY DAY DAVID

SANDUA,2023-09-08 In today's fast-paced society it is essential to prioritize our self-help personal growth and development. Constantly our minds are flooded with information distractions and negativity. However, if we take control and program our minds, we can unlock our true potential and move towards success and fulfillment. This book highlights the importance of self-help and personal growth in the contemporary world, showing how taking control of our mindset can positively influence all aspects of our lives. By recognizing the importance of self-improvement and applying effective strategies, we can transform ourselves into the best version of ourselves and live a life full of purpose and achievement. The book addresses how our mind, with its immense power and potential, acts as a brilliant tool for personal growth and transformation. By understanding this power, we can shape our lives in extraordinary ways. Not only does the mind play a crucial role in shaping our reality, but it also influences our emotions, actions, and the results we manifest. By being aware of our thought patterns and directing them toward positivity, we can control our reality and create a life aligned with our deepest desires. In short, this book is an essential guide for those seeking to harness the power of their mind, cultivate a positive growth-oriented mindset, and manifest a life of purpose, passion, and personal fulfillment.
