Choices, Choices!

It's time for Spring break in town! Summer means great fun like an outdoor team sports all week. They want to plan all kinds of fun things to do, like fishing, hiking, fishing, swimming, and tennis. They are hoping for some sunny, enjoyable weather. However, they just cannot decide which day to do each activity. So, they decided to check the weather forecast to see whether before making final plans.

When you make predictions you use information from a story or document to determine what will happen next.

Monday	Tuesday	Wednesday	Thursday	Friday
				
a bright sun with a steady high of 84	partly cloudy with a high of 82 and afternoon thunderstorms. High of 80	lightning showers with gusts that clearing that cooler with a high of 78	partly sunny with a high of 80	partly cloudy with a high of 82

- 1. Tuesday and the cloud seem to signal one activity day fishing. On which day(s) might they not want to go fishing?
- 2. Which day would be the best day for swimming?
- 3. On which days do you think the family might wear jeans and jackets?

Aligns With Current Standards!

Framework Reading Comprehension Workbook

Patrick J. Finn

Framework Reading Comprehension Workbook:

Adopting the Song of Phrase: An Psychological Symphony within **Framework Reading Comprehension Workbook**

In some sort of consumed by monitors and the ceaseless chatter of fast interaction, the melodic elegance and mental symphony produced by the written term frequently disappear in to the back ground, eclipsed by the persistent noise and interruptions that permeate our lives. However, set within the pages of **Framework Reading Comprehension Workbook** a wonderful fictional prize brimming with organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by an outstanding musician of language, this charming masterpiece conducts visitors on a mental trip, well unraveling the hidden melodies and profound impact resonating within each carefully crafted phrase. Within the depths of the poignant examination, we shall discover the book is main harmonies, analyze their enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
