Gothic Fantasy Edwin Page, 2007 I've always been misrepresented You know I could dress in a clown costume and laugh with the happy people but they'd still say I'm a dark personality Tim Burton Tim Burton's career began at Disney but he soon found his own style He is best known for his dark fantastical creations such as *Beetlejuice* 1988 and now for *Charlie and the Chocolate Factory* 2005 Burton's output ranges from Hollywood blockbusters to art house film covering genres from sci fi spoof to animation and horror Edwin Page's new book will appeal to both the general fan and film studies reader

Fantasy Rosemary Jackson, 2013-10-08 First Published in 2002 It is easy to see that we are living in a time of rapid and radical social change It is much less easy to grasp the fact that such change will inevitably affect the nature of those disciplines that both reflect our society and help to shape it Yet this is nowhere more apparent than in the central field of what may in general terms be called literary studies *New Accents* is intended as a positive response to the initiative offered by such a situation Each volume in the series will seek to encourage rather than resist the process of change To stretch rather than reinforce the boundaries that currently define literature and its academic study *Gothic Fiction and the Invention of Terrorism* Joseph Crawford, 2013-09-12 Choice Outstanding Academic Title 2014 This book examines the connections between the growth of terror fiction the genre now known as Gothic in the late eighteenth century and the simultaneous appearance of the conceptual origins of terrorism as a category of political action In the 1790s Crawford argues four inter-connected bodies of writing arose in Britain the historical mythology of the French Revolution the political rhetoric of terrorism the genre of political conspiracy theory and the literary genre of Gothic fiction known at the time as terrorist novel writing All four bodies of writing drew heavily upon one another in order to articulate their shared sense of the radical and monstrous otherness of the extremes of human evil a sense which was quite new to the eighteenth century but has remained central to the ways in which we have thought and written about evil and violence ever since *The Cambridge Companion to Gothic Fiction* Jerrold E. Hogle, 2002-08-29 Gothic as a form of fiction making has played a major role in Western culture since the late eighteenth century In this volume fourteen world class experts on the Gothic provide thorough and revealing accounts of this haunting to horrifying type of fiction from the 1760s the decade of *The Castle of Otranto* the first so-called Gothic story to the end of the twentieth century an era haunted by filmed and computerized Gothic simulations Along the way these essays explore the connections of Gothic fictions to political and industrial revolutions the realistic novel the theatre Romantic and post Romantic poetry nationalism and racism from Europe to America colonized and post colonial populations the rise of film and other visual technologies the struggles between high and popular culture changing psychological attitudes towards human identity gender and sexuality and the obscure lines between life and death sanity and madness The volume also includes a chronology and guides to further reading *Reading Gothic Fiction* Jacqueline Howard, 1994 Dr Howard uses Bakhtin's concepts of heteroglossia and dialogism in specific historical analyses of key works

of the genre Her discussions of Ann Radcliffe's *Mysteries of Udolpho*, Matthew Lewis's *The Monk*, Jane Austen's *Northanger Abbey* and Mary Shelley's *Frankenstein* demonstrate that the discursive ambiguity of these novels is not inherently subversive but that the political force of particular discourses is contingent upon their interaction with other discourses in the reading process

"The Hound of the Baskervilles" in the Context of Gothic Fiction and the Detective Story

Daniel Quitz, 2014-05-19 Seminar paper from the year 2013 in the subject English Language and Literature Studies

Literature grade 2.0 University of Bayreuth Sprach und Literaturwissenschaftliche Fakultät language English abstract When enthusiastic readers and fans around the globe think of Sherlock Holmes they do not necessarily associate the stories of the detective with Gothic fiction. Holmes is rather linked to be the supreme example of the classic detective story. Ever since the first Sherlock Holmes story *A Study in Scarlet* has been published numerous adaptations such as theatre plays, films, and a recent BBC series followed. Adding scholarly texts to the adaptations, one can certainly argue that most of the publications deal with Holmes in his role as a detective. Thus Nils Claesson claims that the myth of the scientific detective was born. Certainly it is more likely to associate Sherlock Holmes with crime fiction than with vampires or zombies. However, Gothic fiction is far too complex to reduce the term only to this association. Thus the purpose of this seminar paper is to lay the focus on Gothic elements and detective fiction in one particular Sherlock Holmes story, *The Hound of the Baskervilles*. Hence the structure of the paper will be as follows: In the first chapter the paper will be concerned with the term Gothic. This implies an attempt to both define as well as limit the notion to Gothic fiction. Moreover, the paper deals with common motifs or features of the classic Gothic fiction which developed in the 18th century. In the next subchapter the paper sets the focus on the so-called Gothic revival which occurred in the late Victorian era of the 19th century. As it is of peculiar interest for *The Hound of the Baskervilles*, some characteristics of the late Victorian Gothic will be implied. The third and the fourth chapter will illustrate the main aspects of the paper: Subdivided into characters, setting, and plot, the third chapter will discuss some Gothic elements in *The Hound of the Baskervilles*. Could *The Hound of the Baskervilles* either be considered as Gothic fiction or a detective story? Based on this question, the paper will incorporate several scientific statements to find an answer. Finally, the paper will give a conclusion as well as a bibliography.
