Palmer, 2004 *Aliens Adored* is the first full length in depth look at the Raelian movement a fascinating new religion founded in the 1970s by the charismatic prophet Rael Born in France as Claude Vorilhon the former race car driver founded the religion after he experienced a visitation from the aliens the Elohim who in his cosmology created humans by cloning themselves This pioneering study provides a thorough analysis of the movement focusing on issues of sexuality millenarianism and the impact of the scientific worldview on religion and the environment Rael's radical sexual ethics his gnostic anthropocentrism and shallow ecotheology offer us a mirror through which we see how our worldview has been shaped by the forces of globalization postmodernism and secular humanism

*The Girls He Adored* Jonathan Nasaw, 2001-11-03 For ten years the charmingly disheveled veteran FBI Special Agent E L Pender has been investigating the apparently random disappearances of a dozen women across the country The only detail the cases have in common is the strawberry blond color of the victims hair and the presence of a mystery man with whom they were last seen Then in Monterey California a routine traffic stop erupts into a scene of horrific violence The local police are stunned by a disemboweled strawberry blond victim and an ingenious killer with multiple alternating personalities Pender is convinced he has found his man but before he can prove it the suspect stages a cunning jailbreak and abducts his court appointed psychiatrist Irene Cogan In a house on a secluded ridge in Oregon Irene must navigate through the minefield of her captor's various egos male and female brilliant and naive murderous and passive all of whom are dominated by Max a seductive killer who views her as both his prisoner and his salvation Irene knows that to survive she must play along with Max's game of sexual perversion Only then will she be able to strip back the layers to discover a chilling story of a shattered young boy and all the girls he adored A sexually charged thriller of extraordinary originality and page turning suspense *The Girls He Adored* moves furiously from the inner recesses of the psyche to its final startling climax Jonathan Nasaw brilliantly portrays two equally intense characters a deviant killer and the expert who can
