OF MICE AND MEN CHAPTER 1 QUESTIONS

Instructions: Thoughtfully and thoroughly respond to the following questions. You will COPY and PASTE the questions on a separate Word Document/PDF (no links) and respond to each question in RED font.

1. Look back at the first paragraph. In your own words, describe the setting. What is the narrator's tone? What mood is established? Write down one line from the opening paragraph and explain how it supports your conclusion about either the tone or mood.

- George and Lennie are by the Gambian mountains, but in the valley with a river and a forest behind. This place has an abundance of wildlife, and the forest has a path which junctures with where George and Lennie need to go.

2. Physically describe Lennie and George. What's interesting about this contrast?

- George is thin and frail, but Lennie is a huge, powerful man. Lennie looks up to George, who plays the role of Lennie's parent, which makes the situation fascinating.

3. What's the name of the town where George and Lennie last worked? What happened that caused the two men to run away from this town?

-Lennie and George were farmers in Weed before Lennie followed a thought and touched a girl's clothes. They got into difficulty with the police since it is quite wrong for a mature man to touch a woman's dress.

4. How are George and Lennie different than other ranch workers? Cite a line of text from the chapter that supports your statement. (Yes, this means I want you to write down the entire sentence from the chapter and include the page number citation.)

- Lennie and George are together. The majority of ranch workers live shorter lives because they are lonely, but they have each other and will stand by each other till the end. George's statement, "With us it ain't like that," demonstrates this. The future is ours. We were able to speak with someone who cares about us. -page 14.

5. Why did Aunt Clara give Lennie a rubber mouse? Why didn't he like it?

- Lennie enjoyed playing with and touch mice, but he didn't realize his own power and killed lots of mice, as Aunt Clara knew. She offered him rubber mice to help save the lives of mice, but he didn't like them because the rubber texture didn't appeal to him as much as the texture of an actual mouse.

6. Describe activities that show George acting as Lennie's parent/guardian.

- Some things that George does that show that he acts like Lennie's parent figure is when he had extra beans in his bundle for him. Also, he prevents him from drinking unsafe water and tries to help him keep a job so he can support himself.

7. Describe activities that show Lennie behaving as an animal.

- Some things Lennie does that shows he acts like an animal is when he keeps chasing mice and when George asks him, he whine and imperiously gives it back. He also responds to "good boy" like many dogs do.
