**The Chinese Strategic Mind** Hong Liu, 2024-06-05 In this thoroughly revised edition of *The Chinese Strategic Mind* Hong Liu underscores how the distinctive foundations of Chinese and Western thought lead to divergent focuses objectives and approaches He aptly introduces a framework for comprehending the Chinese strategic mindset exploring its origins evolution and implementation

*Sustainable Business Management* Dietmar Ernst, Ulrich Sailer, Robert Gabriel, 2023-03-27 This comprehensive textbook gives an insight into all relevant aspects of business administration as they are all subject to fundamental changes due to the transformation to a more sustainable economy It starts with the background on sustainability and the scientific classification of sustainable business administration Next it sheds light on the boundary conditions regarding environmental economics and social responsibility The next section deals with management functions from strategy and international management to change management legal implications and HR management The last part focuses on value creation Here the authors shed light on the influence of sustainability in all areas of the corporate value chain from procurement on to production and ending with marketing and sales Also addressed are expert functions such as environmental management or sustainable product design which are essential in driving sustainable innovation in a dynamically changing environment

*Edith Penrose's Legacy* Jonathan Michie, Christine Oughton, 2025-01-31 Edith Penrose is best known for *The Theory of the Growth of the Firm* originally published in 1959 but she made major contributions in other fields including patents the oil industry and development economics This book explores her work and legacy not just on economics she was the founding Head of Department of Economics at SOAS University of London but also on the related fields of management and political economy where her contribution has had significant impact Penrose challenged the conventional wisdom of economics by opening up the black box view of the firm to explore what goes on inside in particular how resources are managed and renewed to influence growth and innovation Her analysis was cognisant of the wider political economy context in which firms operate recognising the different impact of large international firms on developing and developed countries Penrose's work has shaped modern theories of strategic management including the resource based view of the firm and the dynamic capabilities approach The chapters in this volume from leading economists and management scholars cover a range of topics including innovation collaboration between firms and universities and the practice and consequences of share buy backs highlighting the value of a Penrosian perspective and the extent of her legacy This book will be relevant to students and scholars of economics management and political economy This book was originally published as a special issue of *International Review of Applied Economics*

*Managing Information in Organizations* Sharon A. Cox, 2017-09-16 New core text for *Managing Information* modules examining the issue of information management from both a business and an IT perspective Grounded in the theory it takes a practical problem solving approach that provides students with tools and insights to understand how to formulate and implement information management strategies

*Managing Public Services* Irvine Lapsley, Ola Mattisson, 2021-11-23 This book explores innovations in public management including establishing a corporate vision strategizing an organization and change management Chapters provide a valuable frame of reference for the 21st century manager of public services by assessing the renewal of existing practices such as strategic costing performance management digitization and procurement and innovations in management practices including branding Lean Management resilience and risk management The book suggests that as the management of public services is imbued with financial social economic and political uncertainties management needs to be flexible and responsive to new ideas and practices to fulfil its purpose This book ultimately supports the reflective manager those who think about their job and are open to new ideas on how their job can be done better by revisiting existing practices and examining innovations in public management Enriched with real life cases and thought provoking discussion questions this is the ideal textbook for reflective open minded advanced students of public management and actual or aspiring reflective managers in public services

**Strategy--process, Content, Context** Bob de Wit, 1998 This second edition of De Wit and Meyer's strategy text builds on the first edition by focusing on the requirements of students and teachers in terms of the structure organisation and design of the material

**Strategy, HRM, and Performance** Jaap Paauwe, Elaine Farndale, 2017-11-10 The book expounds the macro level relationship between strategy HRM and performance addressing important challenges that have constrained research and practice to date Adopting a critical perspective the first challenge is a narrow definition of performance that has been largely driven by a managerialist profit motive with little regard for the human element This book proposes adopting a more balanced approach towards measuring performance encompassing both organizational financial performance as well as employee well being The second challenge is that HRM has largely been considered a universalistic phenomenon rather than needing to be understood in the context in which an organization is operating The book puts forward the argument for a more context centric perspective culminating in the development of the Contextual Strategic Human Resource Management Framework The book emphasizes the importance of strategy alignment context the role of actors and a holistic conceptualisation of performance Embedded in all chapters is a focus on achieving an appropriate balance between options rather than providing a universalistic solution to all human resource management challenges

International Business Strategy Peter J Buckley, Pervez Ghauri, 2015-02-20 With stagnated demand in many home economies the need to internationalize and exploit foreign market opportunities has never been more paramount for businesses to succeed at a global level However this process raises a number of questions such as can firms use their knowledge of one market in the next Can firms pursue internationalization on several fronts at the same time How should firms handle cultural and institutional differences between markets This textbook provides students with the core research in international business and strategy including organization efficiency external relationships and the challenges found in an increasingly multicultural world Each part begins with a presentation of the issues and controversies faced in that particular

area followed by a synthesis of the research which provides avenues for future research To facilitate and encourage further debate and learning each part also includes at least one original case study Compiled by two of the World s leading scholars of international business and supplemented with critical commentaries and a range of integrative case studies this comprehensive textbook provides advanced students of international business and strategy with a resource that will be invaluable in their studies and beyond
