Teens & Cheating Hal Marcovitz, 2014-09-02 Experts say that in recent years there has been an epidemic of cheating among young people in the United States Cheating is more than just students sneaking the answers to school tests broadly defined it is breaking the rules to get ahead Examples of cheating today range from illegally downloading music from the internet which cheats the artists out of royalties to using performance enhancing drugs to gain an athletic advantage This book explores the ways teens cheat examines their reasons for doing so and discusses efforts to teach ethics to young people

The English Record ,1996 Intellectual Manhood Timothy J. Williams, 2015-03-09 In this in depth and detailed history Timothy J Williams reveals that antebellum southern higher education did more than train future secessionists and proslavery ideologues It also fostered a growing world of intellectualism flexible enough to marry the era s middle class value system to the honor bound worldview of the southern gentry By focusing on the students perspective and drawing from a rich trove of their letters diaries essays speeches and memoirs Williams narrates the under examined story of education and manhood at the University of North Carolina the nation s first public university Every aspect of student life is considered from the formal classroom and the vibrant curriculum of private literary societies to students personal relationships with each other their families young women and college slaves In each of these areas Williams sheds new light on the cultural and intellectual history of young southern men and in the process dispels commonly held misunderstandings of southern history Williams s fresh perspective reveals that students of this era produced a distinctly southern form of intellectual masculinity and maturity that laid the foundation for the formulation of the post Civil War South Transcript of Proceedings ,1966 The Forum ,1929 Current political social scientific education and literary news written about by many famous authors and reform movements *The World's Work* Walter Hines Page, Arthur W.
