Clash of the Generations Valerie M. Grubb, 2016-10-06 Case studies and strategies for more effective multi generational management Clash of the Generations explores this new and increasingly common workplace phenomenon and provides strategies to help managers navigate this ever more complex maze Traditionally older workers would retire and make room for the next generation instead Baby Boomers are now prolonging their time in the workplace yet the successive generations are still coming in Senior leaders are now left to manage a blended workplace comprised of up to four generations each with their own ideas of work ethic work life balance long term career goals and much more Management is challenging at the best of times but the new prevalence of generation gaps sometimes even layered add an entirely new dimension to an already complex responsibility This book presents case studies and interviews with representatives of companies with age diverse workforces detailing innovative strategies for smoothing out the bumps and helping everyone work together Managers have long wished that their positions came with an instruction manual and this book delivers with a host of effective inter generational management strategies illustrated by real world companies Manage the multi generation workplace more effectively Navigate the generational culture clash Adopt proven strategies for helping everyone get along Promote a more positive culture amidst clashing expectations Every generation in the workplace has value each has their own strengths their own weaknesses and their own unique talents Each is indispensable and when they come together as a synergistic force they can be unstoppable Effective management means bringing out the best in your workforce and the strategies presented in Clash of the Generations help you streamline your varied workforce into a team more valuable than the sum of its parts

Game Changer Jean-Manuel Izaret, Arnab Sinha, 2023-10-17 The right pricing strategy can change the entire trajectory of a business a market and even society at large To help you create your best pricing strategy efficiently and confidently two leaders from BCG are introducing fresh perspectives on pricing that take you far beyond the realm of mind numbing numbers In their new book Game Changer How Strategic Pricing Shapes Businesses Markets and Society Jean Manuel Izaret and Arnab Sinha simplify and clarify pricing strategy by integrating its many frameworks and concepts into seven distinct pricing games each with its own proven tools rules forces and structures To help you pick the right game and play it well Izaret and Sinha have developed the Strategic Pricing Hexagon a tool refined through years of testing iteration and adaptation The Hexagon is your portal to a business world where stronger growth and better financial performance come from a set of strategic pricing decisions not endless myopic quests for optimal prices But more than that the Hexagon will change the way you think about and talk about pricing The current conversation around pricing as expressed through economics textbooks Excel spreadsheets political discourse and educated guesswork makes it easy to believe that pricing is nothing more than a technical tactical and for most people boring game of numbers Game Changer changes that conversation by sharing stories and research that bring the Hexagon and its seven pricing games to life With research from BCG's Bruce Henderson Institute

and real world examples from the world's most influential companies the authors and their colleagues at BCG define pricing strategy as a business leader's or business owner's conscious decisions about how money flows in their market They show how companies succeed in the long term when they focus on collaborative growth and value sharing with customers not zero sum value extraction from them Discover how you can create and implement a winning pricing strategy that changes the trajectory of your business your market and even society

Illuminate Nancy Duarte, Patti Sanchez, 2016-02-16 THE PEOPLE WHO ARE CRAZY ENOUGH TO THINK THEY CAN CHANGE THE WORLD ARE THE ONES WHO DO With these words Apple Inc and its leader Steve Jobs catalyzed a movement Whenever Jobs took the stage to talk about new Apple products the whole world seemed to stop and listen That's because Jobs was offering a vision of the future He wanted you to feel what the world might someday be like and trust him to take you there As a leader you have the same potential to not only anticipate the future and invent creative initiatives but to also inspire those around you to support and execute your vision In **Illuminate** acclaimed author Nancy Duarte and communications expert Patti Sanchez equip you with the same communication tools that great leaders like Jobs Howard Schultz and Dr Martin Luther King Jr used to move people Duarte and Sanchez lay out a plan to help you lead people through the five stages of transformation using speeches stories ceremonies and symbols This visual and accessible communication guidebook will show you how Apple Starbucks IBM charity water and others have mobilized people to embrace bold changes To envision the future is one thing getting others to go there with you is another By harnessing the power of persuasive communication you too can turn your idea into a movement
