Story Theory Deren Hansen, 2012-08-23 We all know how to tell stories just like we all know our native language having heard both since we were born People however who study their native language discover there s much they misunderstood or simply didn t know The same is true of story when we look at it more carefully With topics that include the theory of story as model the fractal key to narrative complexity and the art of the long form this volume will show you the essence of stories and storytelling It s advanced stuff no writing prompts or exercises here but if you want to understand how

stories are the minimum container of significance how storytelling is like commanding an artillery battery and why the three easy steps are 1 lather 2 rinse and 3 repeat this volume is for you And like deep magic once you comprehend the nature of the art you ll be well on your way to becoming a master story weaver

The Masterful Writing Collection Deren Hansen,2014-10-08 In order to master the craft of writing and the art of storytelling you must internalize the rhythms of the human experience and the ways we share that experience There are deep and consistent patterns in the ways we tell stories weave narrative illusions and develop fascinating characters This collection includes three Dunlith Hill Writing Guides Story Theory How to Write Like J R R Tolkien in Three Easy Steps Verisimilitude How Illusions Confidence Games and Skillful Lying can Improve Your Fiction Character and Archetype How to Make Readers Fall in Love with your Imaginary Friends When you understand and apply the simple but powerful patterns taught in these guides you will be well on your way to becoming a masterful writer

Cinematic Worldbuilding Nicholas LaRue,2025-07-29 Everybody has a story in them Some people lack the language and the tools to tell that story effectively As an avid tabletop role playing game player I m amazed at people s ability to tell stories on the spot Both the players and the game masters are creating worlds in their minds and playing out the events using improv in real time Being an author and screenwriter I know how difficult it is to create consistent and well constructed characters themes and conflicts I believe that storytellers looking to level up in the classroom their hobby or career could learn a lot from games like Dungeons Dragons Pathfinder and others This book seeks to give people the tools and language to create and master their worlds and characters using TTRPG mechanics and rulesets as foundational elements This book will contain insights and interviews from some of today s most respected game masters players actual play actors and we ll also hear from some of the people behind the scenes responsible for creating these games and how they view worldbuilding and storytelling for their audiences

Star Trek Last Unicorn Games,1999-09-01 Being the Narrator for a Star Trek Roleplaying Game session is a lot like being the captain of the Enterprise not only does everyone look to you for answers when things go wrong you ve always got to look good in a crisis The Narrator s Toolkit for the Star Trek Roleplaying Game lets you do just that Packed with advice tips hints and techniques the Star Trek Narrator s Toolkit will keep your games humming as smoothly as Scotty s engines
