Supporting Lives Free from Intimate Partner Violence Towards Better Integration of Services for Victims/Survivors OECD,2023-02-15 Many OECD governments regularly identify violence against women as the top gender equality issue their country faces Yet in all countries addressing this multifaceted issue presents serious governance and implementation challenges as victims survivors have complex needs both during and after experiences of violence

Violence against women & health , Sourcebook on Violence Against Women Claire M. Renzetti,Jeffrey L. Edleson,Raquel Kennedy Bergen,2017-01-30 The Third Edition of the comprehensive Sourcebook on Violence Against Women by Claire M Renzetti Jeffrey L Edleson and Raquel Kennedy Bergen covers the current state of research theory prevention and intervention regarding violence against women The book s 15 chapters are divided into three parts theoretical and methodological issues in researching violence against women types of violence against women and new to this edition programs that work Featuring new chapters pedagogy sections on controversies in the field and autobiographical essays by leaders in grassroots anti violence work the Third Edition has been designed to encourage discussion and debate to address issues of diversity and cultural contexts and to examine inequalities of race and ethnicity social class physical ability sexual orientation and geographic location Breaking the Cycle of Gender-based Violence Translating Evidence into Action for

Victim/Survivor-centred Governance OECD,2023-10-02 This report promotes a comprehensive approach to breaking the cycle of gender based violence by combining insights from recent OECD work with robust evidence from surveys and questionnaires conducted in OECD Member countries Translating pain into action: a study of gender-based violence and minority ethnic women in Ireland: summary report ,

Translating pain into action: a study of gender-based violence and minority ethnic women in Ireland , A Study on Gender-based Violence Conducted in Selected Rural Districts of Nepal ,2012 Gender-based Violence in Sierra Leone ,2008 Safeguarding Human Progress Khalid Malik,2014 This publication notes that the most effective policies for supporting human development and reducing vulnerabilities are those that incorporate principles of universalism by placing people at the centre of policy Responding to life cycle and structural vulnerabilities through social investments and policy interventions deliver long term benefits by reducing vulnerabilities at critical life phases and mitigating structural disadvantage faced by discriminated groups in society Yet the emerging challenges and risks posed by vulnerability given the backdrop of globalisation require a concerted approach and collective action that will measure up to the scale of these shared challenges In building this argument this companion volume to the 2014 Human Development Report draws on research commissioned from eminent economists demographers and social scientists **A Common Vision for Uncommon Results** Katrina Manson,2009 **Violence Against Women** Lori Heise,Jacqueline Pitanguy,Adrienne Germain,World Bank,1994 **The World Bank Research Observer ,2007 The OECD DAC Handbook on Security System Reform Supporting Security and Justice**

OECD,2008-02-27 The OECD DAC Handbook on Security System Reform Supporting Security and Justice contains valuable tools to help encourage a dialogue on security and justice issues and to support a security system reform SSR process through the assessment design and implementation phases *2004 World Survey on the Role of Women in Development* United Nations. Division for the Advancement of Women,2005 About 90 million women currently reside outside their country of origin representing half the world s international migrants This survey gives a gender perspective on migration focusing on the increasing trend for the international migration of women including voluntary migrants who migrate on their own or to join or accompany family members as well as those forced to flee from conflict persecution environmental degradation natural disasters and other situations that affect their habitat livelihood and security Topics discussed include gender perspectives on the causes and consequences of migration poverty reduction and sustainable development family and labour migration refugees and displaced persons human trafficking and smuggling for prostitution and forced labour health issues and HIV AIDS gender roles and integration of migration women *Umrabulo* ,2003 *Living Across Worlds* Ninna Nyberg Sørensen,International Organization for Migration,2007 The research presented in this volume is based on case studies from around the world to examine how migration influences development The studies reveal that it is seldom the simple act of migrating but rather the conditions under which migration takes place that determine the developmental impact of migration Rather than dwelling on normative discussions about whether migration should contribute to development whether remittances should be put to more developmental uses whether return should be promoted or whether development cooperation should engage in collaborative efforts with migrant and refugee diasporas this study focuses on the questions policymakers and practitioners should consider when making background analyses for such decisions *Social Welfare* ,2008 *National Review Report on the Beijing Declaration and Platform for Action-Beijing Plus 20 (The Republic of the Gambia)* ,2014 **Rapid Socio-cultural Research as a Methodology for Informing Sexual and Reproductive Health/HIV/AIDS Programming in North-Western Province, Zambia** Zambia,2005 *Women in India* Ramesh Chandra Mishra,2006
