John David Anderson,2017-05-02 With multiple starred reviews don t miss this humorous poignant and original contemporary story about bullying broken friendships social media and the failures of communication between kids From John David Anderson author of the acclaimed Ms Bixby s Last Day In middle school words aren t just words They can be weapons They can be gifts The right words can win you friends or make you enemies They can come back to haunt you Sometimes they can change things forever When cell phones are banned at Branton Middle School Frost and his friends Deedee Wolf and Bench come up with a new way to communicate leaving sticky notes for each other all around the school It catches on and soon all the kids in school are leaving notes though for every kind and friendly one there is a cutting and cruel one as well In the

middle of this a new girl named Rose arrives at school and sits at Frost's lunch table. Rose is not like anyone else at Branton Middle School and it's clear that the close circle of friends Frost has made for himself won't easily hold another. As the sticky note war escalates and the pressure to choose sides mounts, Frost soon realizes that after this year, nothing will ever be the same.

Rare Breed Sunny Bonnell, Ashleigh Hansberger, 2019-09-03 An unconventional business book for the rebels and misfits the Rare Breeds who don't fit the traditional mold offering an approach that's anything but business as usual

Brazen rant Seth Godin New York Times bestselling author of *This is Marketing and What to Do When It's Your Turn* In every job you've ever had you've been judged, labeled, and made to feel like an outsider. Defiant, Dangerous, Different. A real pain in the ass. The message: To be successful, you've got to fundamentally change. But what if, instead of conforming, you learned how to punch society's codes in the nose, run like a hooligan through the corridors of entrenched power, and succeed not by grinding down your prickly parts but by going all in on who you really are? A guide for strategic rebellion.

Mark Levy founder of Levy Innovation and creator of Your Big Sexy Idea Meet Sunny Bonnell and Ashleigh Hansberger award-winning global brand consultants founders of Motto and authors of *Rare Breed: A Guide to Success for the Defiant, Dangerous, and Different*. In this book, you'll come face-to-face with seven controversial virtues that are typically seen as ladder-burning, career-ending personality traits that convention says keep mavericks, oddballs, and visionaries like you from getting along, getting by, and getting ahead. A beautiful reminder that you are not alone.

Charlamagne Tha God New York Times bestselling author of *Black Privilege* Sunny and Ashleigh provide singular insight into how you can flip the script and turn your so-called vices into your virtues, transforming your most undesirable flaws into the high-octane fuel of your success. In a world that wants to own you, you'll finally learn how to own yourself through embracing all your parts, not just the pretty ones.

College dropouts and social misfits Sunny and Ashleigh provide front-row seats to their own counterintuitive rise from broke-ass outsiders to brand consultants for iconic brands. Success, they show you, is no longer the sole purview of the Harvard MBA graduate. Your ticket to ride resides within the side of you that's disorderly, independent, and rogue. Deep down, you've always been the kid to point out when the emperor has no clothes. Yet time and time again, you've been faced with the consequences of deviating from social expectations. This is a new conversation for a new era. What would happen if, starting today, you walked away from the sheeple? What could you build?
