*Canon Fanfiction* Christine Schott, 2023-01-30 Several scholarly fields investigate the reuse of source texts most relevantly adaptation studies and fanfiction studies The limitation of these two fields is that adaptation studies focuses narrowly on retelling usually in the form of film adaptations but is not as well equipped to treat other uses of source material like prequels sequels and spinoffs On the other hand fanfiction studies has the broad reach adaptation studies lacks but is generally interested in underground production rather than material that goes through the official publication process and thus enters the literary canon This book sits in the gap between these fields discussing published novels and their contribution to the scholarly engagement with their pre and early modern source material as well as applying that creative framework to the teaching of literature in the college classroom

Himansu Baijnath, Yashica Singh, 2002      **Nemesis / Nemesis: A Harry Hole Novel** Jo Nesbo, 2017-03-28

Como atrapas a un asesino cuando eres el principal sospechoso En la cuarta entrega de la serie el atormentado detective Harry Hole tendrá que cruzar la línea que separa lo legal de lo ilegal para resolver unos crímenes que no son lo que en un principio parecían. Las cámaras de seguridad de un banco captan como un atracador dispara a bocajarro a la cajera tras un extraño intercambio de palabras. El detective Harry Hole se hará cargo de la investigación con la ayuda de Beate Lonn una de las investigadoras más desconcertantes del cuerpo de policía capaz de identificar rasgos faciales mucho más rápido que cualquier programa informático pero incapaz de moverse en sociedad. Todas las pesquisas remiten a Raskol Baxhet un legendario atracador. Sin embargo es imposible que sea el culpable porque cumple condena en prisión. Y mientras los atracos se suceden cada vez con más virulencia Harry se mete en líos. Una mañana amanece en su piso con una resaca horrible que le hace revivir viejos temores. La noche anterior había quedado con una antigua novia que aparece muerta. Él es el principal sospechoso a menos que logre aclarar qué ha hecho durante esas últimas horas de las que no recuerda nada. Hay alguien dispuesto a tenderle una trampa y culparle de la muerte de Anna. Las novelas de Jo Nesbo han sido traducidas a más de 40 lenguas, llevan vendidos más de 25 millones de ejemplares en todo el mundo y han sido galardonadas con numerosos premios.

ENGLISH DESCRIPTION How is one able to find a killer when you are the primary suspect In this fourth installment of the series detective Harry Hole will have to balance and cross a line between what is legal and ethical and the illegal in order to solve some crimes that weren't what they seemed at first. Security cameras capture everything when a bank teller is shot during a holdup. Harry will take up the investigation along with Beate Lonn a young detective and expert recognizing facial features with the ability to remember every face she's ever seen. While the robberies are happening with more intensity and violence Harry gets into trouble. One morning he wakes up with a terrible hangover that makes him relive old fears. The night before he had met an old girlfriend who is now dead and he is the main suspect unless he manages to clear up where he was during those last few hours when he remembers nothing. While Harry quietly looks into Anna's death he and Beate uncover ties in their bank robbery case to one of Norway's most notorious bank robbers one that is currently in prison. Is there someone willing to set him up to be blamed for Anna's death. The deeper Harry digs the clearer it becomes that Anna's death is linked to the robbery.
