communication between writer and reader All these trends and others are reflected in this work John Marsden's The Third Day, the Frost John Marsden,2010 Live what you believe in die fighting for it The third day comes a frost a killing frost The enemy spreads across the land cold and relentless They invade They destroy They kill Only the heroism of Ellie and her friends can stop them When hot courage meets icy death who will win through The Third Day The Frost is the third volume in the award winning Tomorrow series
