## Rumiyah:

**Islamic State's Online Propaganda** Miron Lakomy, 2021-04-28 Explaining the means utilised by the editors of the Islamic State's online magazines to win the hearts and minds of their audiences this book is a result of a multidimensional content analysis of two flagship periodicals of the Islamic State Dabiq and Rumiyah Drawing from a number of theoretical concepts in propaganda studies the research uses comparative analysis to understand the evolution of the modus operandi employed by the editorial staff The volume evaluates the types of arguments used in these magazines as well as the emotions and behaviour that these triggered in readers This book concentrates on the formats and thematic composition of a variety of the Islamic State's e periodicals including Dabiq Rumiyah Dar al Islam or Konstantiniyye from the viewpoint of the constantly changing strategic situation and priorities of the Caliphate The e magazines of the post territorial phase of the Islamic State e.g From Dabiq to Rome and Youth of the Caliphate were also taken into consideration Overall this book does not only offer new insights into the propaganda methods of the Islamic State's periodicals but it also summarises their rise and fall between 2014 and 2019 The volume is dedicated mostly to academics and postgraduate students specialised in terrorism studies political violence and security studies

**Islam and the Islamic State** Tim Jacoby, Professor Global Development Institute/Humanitarian and Conflict Response Institute Tim Jacoby, 2025-12-15 At its zenith the Islamic State was one of the most developed and powerful of the various militant organisations that have emerged within the Middle East in recent decades Islam and the Islamic State seeks to understand what the Islamic State says about itself and how the group's official magazine engages with Islamic exegeses in terms of references to the Qur'an classical scholarship and contemporary Muslims intellectuals

Islamic State, Biopolitics and Media Governmentality Lewis Rarm, 2024-02-06 This book analyses the Islamic State's IS media and governance strategy from a critical media and cultural studies perspective It deploys Deleuze and Guattari's concept of assemblage and Foucault's theories of dispositif dispositive apparatus and biopower to understand the ways in which IS governed its subjects during the tenure of its so called caliphate This theoretical triangulation is used to situate the group as more than just a terrorist organisation but rather as a more amorphous force with proclivities toward governance The analysis of globally fluid and conjunctive terrorist strategies executed through media governance and conduct as part of and produced by IS's dispositif manifests in the group's epistemology discourse and social ontology To analyse these processes the book deploys a dispositif analysis of official IS administrative documents media produced by the group's English language media wing al Hayat Media Center and IS Twitter activity including the use of nonhuman bots In doing so it seeks to reveal the resonance between IS's media and governmental discourses develop dispositif theory and to argue for more context specific formulations of biopolitics This book will be of much interest to students of Critical Terrorism Studies social theory media theory and International Relations

The abuse of mass media by international terrorist organizations. The online magazine "Rumiyah" and the propaganda of the Islamic State Tobias

Mattes,2019-01-23 In the age of globalization and social media Europe is facing a new wave of terrorism Most often the jihadists are associated with the Islamic State IS Their number is growing rapidly due to massive online propaganda But how exactly is radicalization promoted by the Islamic State What are the challenges for security authorities Tobias Mattes explains recent findings of radicalization research Moreover he analyses the online magazine Rumiyah in order to find out which triggers promote radicalization His publication helps to understand the messages propagated through this magazine and how this knowledge can be used by governmental agencies for a counter strategy against Islamic State s radicalization attempts in online jihad In this book Radicalization Islamic State Jihad Terrorism Deradicalization Online propaganda
