Choices have consequences and mine haunt me every time I close my eyes. No matter how often I tell myself I did what I had to do to save Nate's life, I can't shake the feeling I crossed an unforgivable line. But letting Nate Kouri die was never an option. I can't imagine a life without him. And as soon as he straightens things out with his betrothed, the two of us might have a future together. I'm finally finding my place among the Keepers. My spot at Blakethorne is secure and I can use my position to help my people. But when a surprise demon attack leaves one of the Keepers gravely injured, the violence challenges my loyalties. Can I stand with those who assault unarmed civilians? But if I turn my back on the demons who will stand up for them, my name is Eden Everdell and it's time for me to pick a side.

include putting us in dangerous situations until we no longer know what's real or not. If the prophecy is true and I am the chosen one, I need to get this mess sorted out as soon as possible or we'll both die. **Supernatural Academy** Jaymin Eve, 2019-05-11. Maddison James is about to discover some truths about the world. Firstly, supernaturals exist. WTF. Secondly, she is one even though no one seems to know exactly what kind. Double WTF. Thirdly, she's about to go back to school. Well, things just got a little more interesting. The Supernatural Academy is where shifters, vampires, magic users, and fey are educated. Where they are taught about their abilities and how to function in the human world. Maddison already has the human part down, but this supernatural thing is an entirely new, dangerous game. Example one: mean girls who can actually turn you into a frog. Example two: Asher Locke, a god at the Academy. Not literally, well, who knows for sure. He certainly acts the part, as do all of his minions who worship him. Asher drives her crazy because apparently gorgeous and arrogant is her thing. Sparks fly between them, and the more they're thrown together, the more Asher is determined to figure out what's been blocking her abilities. Until the moment the truth is revealed, and they find out nothing in this supernatural world is what they thought. Including each other. Supernatural Academy is 105k words, full-length urban fantasy story. Recommended 17 due to language and sex scenes.
