Reside,2023 Thousands of shows have opened on Broadway Why do we remember some and not others The musical theatre repertory is not composed of titles popular in the theatre but by those with successful cast recordings movie versions or even illegal bootlegs on YouTube The shows audiences know and the texts and music they expect to hear when they attend a production are defined by media consumed at home more than by memories of performances witnessed in the theatre For example author Doug Reside shows that it is no accident that the serious book musical with a fixed score developed in the 1940s when commercially pressed and marketed record albums made it possible to record most of the score of a new musical in a fixed medium And Hamilton a musical with dense lyrics and revolutionary musical style would not have been as easily accessible to world audiences if most hadn t already had the opportunity to learn the score by listening to free digital streams of the original cast recording The technologies that made these media possible developed concurrently with and shaped the American musical as an art form Reside uncovers how the affordances and limitations of these technologies established a repertory of titles that are most frequently performed and defined by the texts used in these performances *Fixing the Musical* argues that the musicals we most remember are those which most effectively used their era s best recording and distribution technologies to document and share the work with those who would never see the original production on Broadway **Slander** Rhiannon Barnsley,2025-08-08 A he said she said courtroom drama with a very contemporary twist I was gripped Jackie Kabler bestselling author of *The Vanishing of Class 3B* A brand new up all night thriller to keep you gripped this summer For fans of Gillian McAllister and Harriet Tyce [The Unofficial TikTok Cookbook, Volume 2](#) Palestrina McCaffrey,2025-10-14 Discover 75 viral TikTok recipes and trending dishes in the second volume of bestselling *The Unofficial TikTok Cookbook* perfect for easy home cooking and chefs of all skills From viral Whipped Lemonade to trending Pasta Chips explore some of the most popular post worthy TikTok recipes that are taking social media by storm Test out the latest viral sensations and make some delicious dishes inspired by social media including Cucumber Salad Baked Feta Pasta Dubai Chocolate Bars Dirty Soda And much more Featuring simple step by step instructions recreate the viral TikTok recipes taking over your FYP all from the
