Identity Milan Kundera:

Identity Milan Kundera, 1998 Sometimes perhaps only for an instant we fail to recognise a companion for a moment their identity ceases to exist and thus we come to doubt our own The effect is at its most acute in a couple where our existence is given meaning by our perception of a lover and theirs of us With his astonishing skill at building on and out from the significant moment Kundera has placed such a situation and the resulting wave of panic at the core of the novel In a narrative as intense as it is brief a moment of confusion sets in motion a complex chain of events which forces the reader to cross and recross the divide between fantasy and reality Profound sad and disquieting but above all a love story *Identity* provides further proof of Kundera's astonishing gifts as a novelist *Identity* Milan Kundera, 1998-04-21 Milan Kundera's *Identity* translated from the French by Linda Asher There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own That also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With stunning artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude Of all contemporary writers only Kundera can transform such a hidden and disconcerting perception into the material for a novel one of his finest most painful and most enlightening Which surprisingly turns out to be a love story IDENTITY SIGNDED Kundera Milan, 1998-04-24 There are situations in which we fail for a moment to recognize the person we are with in which the identity of the other is erased while we simultaneously doubt our own That also happens with couples indeed above all with couples because lovers fear more than anything else losing sight of the loved one With artfulness in expanding and playing variations on the meaningful moment Milan Kundera has made this situation and the vague sense of panic it inspires the very fabric of his new novel Here brevity goes hand in hand with intensity and a moment of bewilderment marks the start of a labyrinthine journey during which the reader repeatedly crosses the border between the real and the unreal between what occurs in the world outside and what the mind creates in its solitude **Identity** Giselle Walker, Elisabeth Leedham-Green, 2010-11-04 Aspects of identity explored by eight distinguished authors from different academic disciplines Self-Identity and Powerlessness Alice Koubová, 2013-05-30 In *Self-Identity and Powerlessness* Alice Koubová proposes a conception of human existence that does not essentially depend on the definition of self identity The author shows that the philosophical stress on human identity fails to grasp essential aspects of human existence By emphasizing the moments of Dasein's powerlessness in Heidegger's fundamental ontology she develops in her analysis of various philosophers literary examples and social psychology an original phenomenology of alternation of existence and affair How necessary is identity

for thinking Are we capable of philosophical thought even when we have neither ourselves nor the world under our full control Is it possible to relax become powerless and yet think precisely These questions are to be answered in this book
