Fairy Tale Retelling Kids How To:

Writing, Retelling, and Critically Reading Children's and Young Adult Tales Bernard Montoneri, 2025-06-24 This edited collection traces the evolution of writing retelling and critically reading children's and young adult tales over decades of cultural social and technological changes Global contributions cover the increasingly diverse narratives found in children's literature including how contemporary authors challenge traditional gender roles found in fairy tales through modern increasingly prevalent retellings Chapters also consider the psychological impact of storytelling on children and how narratives can provide children with frameworks for understanding their emotions and experiences

Reading Children's Literature: A Critical Introduction - Second Edition Carrie Hintz, Eric L. Tribunella, 2019-03-28 Reading Children's Literature offers insights into the major discussions and debates currently animating the field of children's literature Informed by recent scholarship and interest in cultural studies and critical theory it is a compact core text that introduces students to the historical contexts genres and issues of children's literature A beautifully designed and illustrated supplement to individual literary works assigned it also provides apparatus that makes it a complete resource for working with children's literature during and after the course The second edition includes a new chapter on children's literature and popular culture including film television and merchandising and has been updated throughout to reflect recent scholarship and new offerings in children's media

Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children's and YA literature studies and the tale of Hansel and Gretel has been translated adapted and retold across the years Reading Children's Fairytales Inside the Gingerbread House brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts This edited collection opens up possibilities for cross pollination between critical multimodal and creative approaches It celebrates multiple forms of knowledge and meaning making within and beyond academic discourse and engages young people in the conversation The authors explore a wide range of retellings of Hansel and Gretel from children's picturebooks graphic novels poetry and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries In engaging with such a range of popular retellings the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children's and YA literature
