American Musicals in Context Thomas A. Greenfield, 2021-03-29 *American Musicals in Context* From the American Revolution to the 21st Century gives students a fresh look at history-based musicals helping readers to understand the American story through one of the country's most celebrated art forms: the musical. With the hit musical *Hamilton* (2015) captivating audiences and reshaping the way early U.S. history is taught and written about, this book offers insight into an array of musicals that explore U.S. history. The work provides a synopsis, overview of critical and audience reception, and historical context and analysis for each of 20 musicals selected for the unique and illuminating way they present the American story on the stage. Specifically, this volume explores musicals that have centered their themes, characters, and plots on some aspect of America's complex and ever-changing history. Each, in its own way, helps us rediscover pivotal national crises, key political decisions, defining moral choices, unspeakable and unresolved injustices, important and untold stories, defeats suffered, victories won in the face of monumental adversity, and the sacrifices borne publicly and privately in the process of creating the American narrative, one story at a time. Students will come away from the volume armed with the critical thinking skills necessary to discern fact from fiction in U.S. history.

Milestones in Queer US Theatre Dennis Sloan, 2025-07-07 This introduction to queer theatre and performance in the United States explores the pioneering artists that have shaped this ever-changing field across the past two centuries through ten key moments and movements. Designed for weekly use in queer and LGBTQ theatre courses, the ten chosen milestones move chronologically from nineteenth-century shifts in the understanding of homosexuality through the queer postmodernist avant-garde to the rise of intersectionality and recognition of trans identities. This clear, dynamic framework uses queer as a flexible and intersectional term addressing sexualities and sexual identities, the people and groups who claim them, and the practices that challenge heteronormative structures. Milestones are a range of accessible textbooks breaking down the need to know moments in the social, cultural, political, and artistic development of foundational subject areas.

March of the Falsettos William Finn, 1981

March of the Falsettos is the title song of this act of the show William Finn planned on calling the show *The Pettiness of Misogyny* but then he decided to go with a less direct and more subtle title calling it *March of the Falsettos* But what does the title mean The central theme of the show is the characters lack of maturity as they also state themselves in this song and their journey of growing out of their childish behavior Something that for instance Marvin needs to do to be the father Jason needs Jason whose voice hasn't yet changed sings an octave higher than the other three men throughout the show This is the only song that all four men sing in the same register since Marvin Medel and Whizzer sing in the falsetto losing the symbol of manhood their changed voices None of these men have grown up yet All of them are still very self centered self involved and insist on getting whatever they want The *March of the Falsettos* is their journey from childhood to becoming adults

Falsettos: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Falsettos : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
