Project Management In Practice 4th Edition International:

Project Management in Practice, Fourth Edition Samuel Mantel, Jack Meredith, Scott Shafer, Margaret Sutton, 2010
Project Management in Practice 4th Edition focuses on the technical aspects of project management that are directly related to practice. This textbook is organized around the project management life cycle and it provides students with essential project management concepts with a focus on PMBOK the Project Management Body of Knowledge. The Project Management Institute runs the PMBOK certification program. This new edition improves ancillaries like the Instructor's Manual and PowerPoint slides and integrates inclusion of Microsoft Project software throughout the text. Provides better cases and end of chapter problems and exercises for an overall greater understanding of the material.
